

Pay Issue—'What Is Justified?' Or 'How Much Revenue Available?'

(Third of four articles on the Granite City school district teacher disagreement, which may delay the opening of schools next week.)

"How much cash do you have? Give it to us." The hypothetical conversation is not that of a wrongdoer, but a bargaining tactic used with considerable success in some school systems in southwestern Illinois in recent years.

Much of the give-and-take of negotiations has centered on specific balances and estimates of expected revenue. There has been a veering away from "What is an employee worth?" to "How much is available?"

The real worth of an individual, of course, is impossible to measure or adequately reward in many instances. The tangible value and inspiration stemming from the lifetime efforts of a single educator could be priceless.

Realistic Planning

But, because sound procedures and planning require all school needs to be considered and viewed with some degree of realism, it would appear that school officials would be able to deal fairly while resisting any attempt to divert their attention from the "What salary is justified?" aspect.

As brought out in the past two articles, the working agree-

ment between Granite City public schools and Teachers Local 743 covering salaries, benefits and other matters is quite detailed. It is difficult or impossible to adequately compare it to the agreements of other school systems in this region.

Also, some of the other districts have not yet reached agreements for 1969-70 with their faculty members.

\$722-\$777 Range Reported

Madison county school officials report that the settlements in this county for the nine-month school year appear to range from \$722 to \$777 monthly in starting pay, not counting fringe benefits.

The Granite City board has offered \$777. Local 743 seeks \$844 in starting pay.

St. Louis schools will pay starting teachers \$800 monthly and East St. Louis schools, far in debt, reportedly will pay \$833. In both cases, adverse safety and environmental conditions are believed to have prompted decisions to offer more money.

Some Granite City teachers cite local voters' approval of a 40-cent education fund tax rate increase Dec. 7, 1968, as an indication that taxpayers want such added revenue to go to the teachers.

Some of the teachers reject budget balancing ideas, saying that schools legally can, and morally should, borrow. If necessary, to meet whatever.

Public Review of Madison Issues

Madison Federation of Teachers Local 743 remained uncooperative in efforts to obtain a negotiated contract in a confrontation of parents and union teachers with the board of education Thursday night.

Parents, followed later by the union's negotiating committee, converged upon the office of the board of education, where five board members and Supt. Raymond Dragich were conducting a closed personnel session.

The move to the Fourth street office by the parents followed a public meeting called by the union behind the Madison recreation center. More than 50 parents and teachers were on hand.

Supt. Dragich and Chester McManaway, school board president, assured the parents that "schools will be open as scheduled."

McManaway told the parents who crowded into the board office that the board is willing to meet with representatives of the union providing they bring representatives of the Teachers Classroom Association, whose members no longer belong to the union, also take part in any bargaining.

The board already adopted a salary schedule on Sept. 12, 1968, ranging from \$67 to \$122 per month.

Parents Approve

The offer received general approval on the part of some of the parents, especially when McManaway told them that the

issue could be settled in an hour.

However, when the union committee arrived, Bernard Long, president of the local, told McManaway that the union is the sole bargaining agent for all of the teachers and we don't intend to deal with any other group."

McManaway told the group that all items in a contract were produced during negotiations last June, except for salary provisions, pending results of state action by the General Assembly.

However, he said, during the latter part of June the board decided to start the negotiations from Rex Carr, attorney for the union.

Carr was the union attorney last year during a teacher strike which delayed opening of the schools for five weeks before a contract was settled.

Critical of Attorney

McManaway said, "We have no intention of meeting or dealing with this man. Things were going smoothly until he brought this man back in the picture."

Charles Hampton, an East St. Louis school teacher residing in North Venice, maintained that the board was concerned about adverse publicity, which we are not concerned about."

McManaway retorted that "we are concerned about adverse publicity because the children out of school last year." He criticized Carr for disruptive objectives in keeping schools closed.

Hampton said Carr does want members of the union want him to do.

McManaway claimed that last year "the union turned everything over to Rex Carr, and he pleased to you and know it."

Good Relationship

The board president said that prior to last year the teacher union and board maintained good relationships for 20 years, but that the objectives of the union and of the board no longer are the same.

McManaway maintained that the union was "starting the same thing all over again, threatening to close the schools."

He said that "if we have a disruption, we will use every legal means available to the board."

He pointed to the state school code which the board must follow, and reminded parents that the district is under local orders set by the U.S. district court to operate the schools with racially balanced teaching staff.

Long and the union committee asked that negotiations and a final contract be settled by Sept. 1 immediately, but without representatives of the other.

A. M. WILSON
A. M. Wilson, 85, Former GC Supt. Of Schools, Dies

Alvy M. Wilson, 85, of 2320 State street, former superintendent of the Granite City grade school system and later the local park district, died at 9:30 a.m. Friday at St. Elizabeth Hospital. He was admitted to the hospital June 27, after suffering a stroke.

A teacher and principal in the Granite City school system for 35 years, Mr. Wilson served as grade school superintendent from 1933 to 1943. During his teaching years, he held the positions of principal at Webster and Central schools.

He was appointed Granite City superintendent of parks on May 21, 1953, serving in that capacity until June 1966.

A native of Brownstown, Ill., Mr. Wilson had resided here more than 50 years. He and his wife, Etta, who survives, observed their 61st wedding anniversary on May 17. The couple was married in Granite City on May 17, 1908.

Mr. Wilson was active in numerous civic, service and fraternal organizations. He was a charter member of the Granite City Optimist Club, in which he also served as secretary and treasurer; past master of a local troop of the Masonic Lodge 87, named to that post in 1928; and past president of the Masonic Rite Bodies, Alvin Shrine of East St. Louis and Gabriel Shrine 78. White Shrine of the East St. Louis.

Mr. Wilson also held membership in the Scotch Rite Bodies, Alvin Shrine of East St. Louis and Gabriel Shrine 78. White Shrine of the East St. Louis.

For many years he was active in Boy Scout work and held posts ranging from scoutmaster of a local troop to committee chairmanships of the Cahokia Mounds Boy Scout Council and the Unwink District. He was a member of Niedringhaus United Methodist Church.

Mr. Wilson often recalled that in his early days of teaching to supplement his income he worked a magazine distribution route, making his deliveries by bicycle.

Beside his wife, Mr. Wilson is survived by his daughter, Mrs. Vivian Parker of Houston, Tex.; three sons, Charles Wilson of Kenilworth, Ill., and Wilson of Pacific Palisades, Calif., and Thomas Wilson of Big Delta, Alaska; two brothers, Elmer Wilson of Wood, Ill., and James Wilson of Tucson, Ariz.; 14 grandchildren and 12 great-grandchildren.

He was the brother of Mrs. Dan (Maude) Steinhauser, Brownstown, Ill., and Mrs. Fred (Mabel) Darnell, Decatur.

Funeral services were held today. Details are given in the obituary column.

2 GC Women Fatally Injured; 8 Persons Hurt in Crash Today

Two Granite City residents were injured fatally and 19 other persons were hurt in 34 traffic accidents during the weekend. Eight persons, all from Granite City, were injured in a one-car highway crash on Route 111 near Roxana.

Mrs. Laura Ann Leonard, 53, of 2855 Benton street, died Sunday at the Wallace Hospital, Lebanon, Mo., as a result of injuries sustained in an auto accident on the highway. The crash occurred while she was enroute to attend the funeral of a relative in Lampe, Mo.

Mrs. Leonard was driving the car at the time of the accident and was accompanied by a woman friend. No details of the accident have become available to the family.

Born in Summers, Ky., Mrs. Leonard had lived in Granite City for 12 years.

A 1967 auto owned by Roland Cagle, 1242 Robin street, Venice, stolen Thursday morning from the 2200 block of Madison avenue, was found ablaze by Madison police at 14th street and Washington avenue at 9:15 p.m. Thursday.

Police called the fire department, and Fire Chief Edward Miller said that someone had poured gasoline on, or someone over the car.

The home of Gerald Dover, 1628 Delmar street, was ransacked in a burglary while he was gone for several days, he reported at 3:05 p.m. Sunday. Entry was gained through an unlocked rear window.

The telephone was left off the hook. Bed clothing was thrown on the floor, photograph records were broken, and oil was spilled on the floor. It was unknown if anything was missing.

Lost Includes Pistol

A thief who entered through an unlocked rear door at the George Bocian home, 2008 Grand avenue, broke the lock off a trunk to obtain a .32-caliber pistol and ammunition, it was discovered at 11:30 a.m. Friday.

Also taken from the home were a pair of field glasses, a radio, a green wallet, a lady's watch and a set of steak knives.

A \$60 stereo unit, a brown table radio and a small dog were also missing.

Plan Commission OKs Tract for Subdivision

Reasoning from R-1 to R-3 was approved by the Granite City Planning Commission Thursday afternoon for a 31.65-acre tract east of Maryville road, some distance south of Worthen Park. A. R. Cooper proposed to develop the site as a residential subdivision.

Effect of the zoning change, which is subject to city council consideration, would be to permit frame rather than brick single-family homes.

Madison Association Requests Joint Talks

"The Madison Classroom Teachers Association, affiliated with the National Education Association, is seeking joint negotiations with the Madison board of education," James L. Loy, MCA president, said today.

"We would like to see all teacher groups, represented at the Madison board of education, take so long to get a man indicted after he has been indicted by a grand jury."

Sherriff George Musselwhite, with the problem of an overcrowded jail, asked the judges to demand that the state prove he is sane enough to stand trial. This requires hearings on the motions to examine the defendant by a psychiatrist, hearings on the results, and a jury trial to determine if the defendant is competent to stand trial on the felony charge.

Sanitary Water Board Orders Levee Board to Repair 3 Sewer Lines

The East Side Levee and Sanitary district has been directed by state officials to make immediate repairs in three major sewer breaks.

It is considering the possibility of a general obligation bond issue—without referendum—to finance the work, it was learned by the Press-Record today.

The state order, some levee district officials say, has confronted the district with the most serious financial crisis of its long history of money troubles, resulting in part from heavy emergency expenses for floodfighting during the 1970-71 season.

study and prepare their cases. Many of the defendants awaiting trial are at liberty on bond because the jail is not large enough.

Portell told the meeting that 150 persons, including 150 to 200 charged with felonies, are free on bonds.

Even when a person is found guilty by the court, he is still detained at the county jail; the laws provide up to 30 days to file post-trial motions, and hearings on the motions may be followed by probation hearings.

Those also said that, this year, about three times the number of defendants have been indicted as in the same period last year. Smith said this reflects the policy of the state's attorney's office emphasizing prosecution of suspected criminals.

System Lacking

In addition to the complicated judicial processes, a lack of systematic procedures between county departments was noted.

Sheriff Musso reports he does not know what is going on in the courts because the state's attorney's office does not keep him informed. Deputies claim they and other witnesses are not informed of trials in time.

Schmidt told of sending deputies across the state to return prisoners here who have "skipped" bond, only to learn the case was dismissed long before.

Portell said his office has been plagued by an absence of file numbers on complaints signed by the state's attorney's office.

Smith suggested that a start on improving the system would be to improve liaison between the departments.

the corporation may borrow to abate such sewage discharge shall be limited to that required for that purpose, plus such reasonable future expansion as shall be approved by the court or an administrative agency of the state of Illinois having jurisdiction.

Bond Sale Difficult

Some levee district sources believe, however, that even a bond issue will not solve its present financial dilemma.

David Johnson, levee district consulting engineer, said that in view of the current condition of the bond market, he believes it would be extremely difficult, if not impossible, to sell bonds at this time.

Johnson said that levee district officials have discussed a bond issue as a possible means of financing the ordered sewer repairs, and then repaying the bonds with money it receives through its disaster appeals to the state and federal governments. The district has filed claims in the disaster program for a total of \$2,670,524.

"But I don't know where or whether bonds can be sold today," Johnson commented. Johnson said the levee district find a way to fund the sewer repairs because the state "won't foot around."

He said the state water board has the authority to levy heavy fines against the district for failure to abide by its directives.

Meanwhile, Governor Ogilvie sent President Nixon a letter Friday estimating damage to public property in the flood area at \$2.5 million and requesting immediate commitment of \$500,000. When that amount is provided, the Governor is expected to seek additional funds for distribution.

Driver Leaves Crash Scene, Abandons Truck

A truck driver who gave his name as Charles L. Howell of Fort Madison, Iowa, was sought by Madison police Friday after he walked away from the scene of an accident and abandoned his tractor-trailer while police were talking to another driver. Police said they were called to the 100 block of State street at 1:40 a.m. and were told by Al-der R. Mundy, Fairmont, W. Va., that his parked truck had been struck by a tractor-trailer driven by Howell.

Officers said Howell denied he had collided with Mundy's truck although his tractor bore paint particles scraped from the other truck. Mundy's truck was damaged. Howell was told to wait in the police car while officers talked with Mundy, but when they returned to the well was gone, officers reported.

Police impounded the tractor-trailer which also contained Howell's licenses and papers. Police filed charges of disobeying an officer and leaving the scene of an accident against Howell.

On Saturday, the company which owns the tractor-trailer, Jerry Lipp, Inc., of Cape Girardeau, Mo., posted \$50 cash bond in absentia for Howell and the truck was released to the firm.

Car Wrecked, Set Afire

A stolen auto which struck a parked car on a St. Elizabeth Hospital parking lot at 1:15 a.m. Friday was abandoned there after being stripped of a tire and then set afire. The 1961 two-door hardtop car had been taken the same night from the Like New Auto Sales, East 23rd street and Narmoki road. Its front end hit the right side of the auto of Leo Diefenauer, 30 Riviera drive.

Arrest Venice Driver

Lee Baker, 15, of 107 Weaver street, Venice, was arrested by Venice police at 6:55 p.m. Saturday after his car struck an auto owned by Odie F. Medley, 631 Mercedia street, and damaged a porch and shrubbery at Medley's home. The youth was charged with careless driving and driving without a driver's license.

Johnson Road Mishap

A collision of southbound autos on Johnson road at Clark avenue at 6:25 p.m. Saturday damaged the rear of the car of Marie McDaniel Jr., 2833 Circle drive, and front of the auto of William Mathes, 2728 Marshall avenue. McDaniel was stopping due to a car in front of him attempting to turn left.

MORE ABOUT Pay Issue

proper operating costs come before them.

Along with the tax rate hike approval, teachers cite the increase in state tax aid, which figured prominently in 1969 Illinois teacher pay talks both before and after the increase was authorized by the General Assembly and signed into law.

Attendance or Membership?
Springfield debate focused on changing the \$400-per-school-year aid formula to either \$200 or \$500, and on possibly basing it on average daily membership instead of average daily attendance.

The ADA basis has encouraged school systems to prod students to attend regularly, since the best six months of attendance determine the extent of aid. However, in urban areas like East St. Louis and Chicago, attendance has remained lower than in most suburban and rural school districts.

Since some of the same urban centers have a deteriorating property tax base, it has become harder to finance their schools. It was contended by many that the ADM approach—pupils enrolled rather than pupils present—would give "inner city" schools an extra and needed state aid bonanza.

The legislature finally decided to retain ADA and to boost the formula from \$400 to \$500. The last offer made by the Granite City district assumed \$520 ADM, and the actual aid under \$520 ADA may be \$200,000 less than would have been the case with \$520 ADM.

Aid Boost, Fund Balance

The school district has average attendance of 13,185 students in its best six months of 1968-69 and expects the change in the formula will provide an extra \$1,849,187.

The projection under the \$400 formula was for \$2,066,350 equalization and \$646,334 flat grants, a total of \$3,132,684. These figures do not include state aid for summer school.

As noted, the availability or suspected availability of funds has been an issue in many school negotiations in this region, including the Quad Cities.

Granite City school records show a \$252,101 cash balance at the close of the latest fiscal year June 30, 1969. However, encumbrances totaled \$788,993 and another \$23,533 in payroll

deductions was owed—a deficit of \$237,425. Basic costs in 1968-69 totaled \$10,202,511, including \$8,747,256 education, \$657,998 building, \$156,958 retirement, \$211,733 transportation, \$388 interest service charges, \$400,222 construction and \$26,804 for the joint special education program. In addition, the district retired \$492,000 in bonds and paid \$159,967 in bond interest.

Size of Staff Big Factor

The mixed feeling teachers have about the size of their staff should be assigned to each class are shared by parents and taxpayers.

They are aware that, under present teaching methods, there is a relationship between the number of pupils in a classroom and the amount of time an instructor can spend directly assisting a particular student.

The public also is aware that the size of the faculty is the chief element in yearly school costs. In addition, the district has been cutting teachers dramatically. The property tax portion of Granite City school district funds totaled \$2,066,350 in 1968-69, \$4,224,272 five years ago and \$6,860,777 for this year's collection.

Eliminating nurses but in-class teachers who carry out supplementary duties at more than one school, plus classroom instructors and counselors, there were 643 teachers for an enrollment that totaled 14,415 as of the end of May 1969.

Mid-60s Average Here
This would average about 22½ students per class. With only classroom instructors considered, the average would be slightly higher, but still in the mid-20s range.

There is an infinite number of ways of figuring average class size, and it is not intended here to infer that classes in Granite City are excessive.

Small. Some special education courses are required to have small enrollment due to the nature of the instruction. Physical education classes, study halls and library groups can be larger than English or mathematics classes.

Class size comparisons between school districts usually suffer from a lack of detailed information on precisely what elements were considered.

Granite City has 17 special education instructors, eight band teachers, six remedial reading instructors, 14 vocal music teachers, five librarians, 19 regular counselors and seven speech therapists, with 10 federal program teachers and counselors. How should they be figured in determining class size?

Higher Average Size in U.S.
Keeping possible statistical inequities in mind, Chicago in its new teacher agreement has changed the maximum to 35 pupils per teacher, and a published "national average" is 32 students per class.

Aside from the question of whether an increased class size here would be desirable or undesirable, it appears that more students could be assigned to local classrooms than in the range that has been accepted in many communities and nationally.

If teachers pay requests remain in excess of what Granite City school taxpayers wish to provide, one "solution" would be to have fewer teachers. In this way, individual teacher pay could be raised, or taxes could be reduced, or both could be accomplished.

It has been estimated that Granite City teachers averaged \$960 monthly and \$8644 for the nine-month school year of 1968-69. At this rate of pay, elimination of 116 jobs would save \$11,360 a month or \$1,002,704 for the school year.

With 116 deducted from 643, the 527 balance divided into 14,415 is a 27 class average.

Example of an Alternative
Whether such a step would be advisable is another matter, but it does illustrate that there are alternatives to the sharp uptrend in expenditures and taxes.

Among the factors that would have to be taken into account is the way pupils are assigned to various schools. At least some increase in bus operations would be likely.

In May 1969, first graders numbered 51 at Emerson school, 72 at Frohhardt, 71 at Lake, 68 at Logan, 70 at McKinley, 91 at Marshall, 93 at Maryville, 112 at Mitchell, 94 at Nameoki, 64 at Netheringham, 51 at Stallings, 92 at Washington, 87 at Webster and 83 at Wilson and 101 at Parkview.

Sixth graders totaled 262 at Central, 193 at Prather, 325 at Coolidge and 277 at Grigsby.

Pay of College Graduates

The College Preparation Council reported this year that throughout the U.S., recruiters offered college graduates with bachelor degrees in non-technical fields an average salary of \$892 monthly or 5.3% more than a year ago. The survey included 122 representative colleges and universities.

Salaries for Washington University arts and science graduates ranged from \$500 to \$750 this year, compared with \$400 to \$650 last year.

At St. Louis, most students with undergraduate degrees in

marketing received between \$650 and \$890 a month this year, compared with \$590 to \$850 last year.

University of Missouri at St. Louis graduates with bachelor degrees in physics, chemistry and mathematics averaged \$741 this year, compared with \$688 in 1968.

St. Louis University mathematics majors this year received \$700, compared to \$667, and chemistry graduates averaged \$650, up from \$624.

Illinois State University said this summer that the average pay for its bachelor degree graduates who are becoming teachers will be \$764, up from \$705 a year ago; the elementary teachers will average \$740, secondary \$762 and special education teachers, \$794.

Area School Pay Decisions
The Madison school district last week set 1969-70 beginning and top salaries at \$777 and \$3,056 monthly. The Madison teacher union has not agreed to this level.

Agreed-upon Collinsville teacher pay initially described as potentially much higher because the pact was linked to the amount of state tax aid to the district, has since been estimated as starting at \$777 monthly. The teachers agreed to a 2% raise in the state aid boost, distributed according to a formula agreed to in advance.

Accord reached in Edwardsville was announced as providing monthly pay of \$755 at the start and \$1,420 at the top, with an estimated average of \$1,036. A "mass resignation" procedure has been used by teachers of the Belleville elementary school district due to a salary disagreement.

Announced raises in starting pay in this region generally are in the vicinity of \$111 monthly; \$111 estimates have been given for both East St. Louis and St. Louis.

Chicago Fund Squeeze

The Chicago school board on Aug. 9 voted to cut \$100 monthly teacher raises "at least in half" and to trim some educational programs because its income will be \$29 million less than had been hoped. The teacher union then rejected the action as a violation of the 1969-70 agreement.

Included in the proposed cut-backs are a four-month halt in purchase of classroom supplies and dismissal of 1409 teacher aides.

It was decided in Chicago not to dismiss any teachers but to do only token hiring despite an expected enrollment gain of 5000. The superintendent said he expected average class size to go up only a fraction from the previous 34.5 pupils per classroom.

A \$72 monthly pay minimum was proposed in an Illinois

General Assembly bill this year. O'Fallon schools and employees have agreed on starting pay of \$722 monthly, reaching \$1177.

Reported Pay Levels

Records at the office of County School Supt. Wilbur R. L. Trimpe 1968-70 show agreed-upon monthly teacher pay ranges of \$735-\$1387 in Roxana and \$738-\$1236 in Venice.

Starting pay has been estimated as \$722 in Alton, \$744 in the East Alton-Wood River high school district, including a \$44 bonus, and \$765 in Triad.

Numerous other instances of teacher pay could be given, and the figures shown are not presented as giving a full cross-section. They do show the trend in nearby school systems in the Illinois metropolitan area.

It is possible that some suburban Chicago and St. Louis schools will pay salaries this fall markedly higher than many of the agreements in this region. However, it is believed that few are planning one-year pay increases of the scale discussed in Granite City.

Applicants Available

In any case, whether despite or because of what is being paid, anywhere else, there has been an ample number of applicants this year to fill teaching positions here, Granite City school officials say.

They were even prepared to fill mass vacancies—if Local 743 members had responded to the district's July letter with individual resignations. Only one teacher actually did so, leaving both parties—the union teachers and the school district—in need of each other.

Caught in the middle are students and the general public. Taxpayers generally support a raise but have given school officials no clear idea of how much of a raise they would favor.

There is growing public concern over taxes, due to local increases and the start of the

state income tax. Schools and other taxing bodies here currently are being notified of the possibility of major tax objections within the next year.

\$275-Month Hikes Sought

A \$275 a month increase for the school year, as is requested in Granite City would increase monthly pay of a starting teacher to \$844 and the income of a teacher with master degree and 190 credit hours in the twelfth year of teaching to \$1444.

These requests total \$8500 and \$13,000 for the nine-month school year, and represent a rate of pay that during 12 months would amount to \$11,333 and \$17,333.

The school district has offered raises of \$108 to the starting teachers and \$219 monthly to those at the top of the salary schedule, bringing monthly pay to \$777 and \$3,056—totals of \$7,000 and \$12,500 for the nine-month school year and a rate of pay that in 12 months would be \$9,333 and \$16,666.

Raises for Experience

In its appeal for teachers to resign employees rather than resign, the school district distributed proposed schedules for 1969-70 and 1970-71 showing how an individual would progress from one year to the next. This took into account not only the suggested changes in the schedule, but the raises obtained with each new year of experience up to 12 years.

A starting teacher in 1968-69 would advance from \$669 monthly to \$816 in 1969-70 and \$916 in 1970-71 under the school board proposal. These raises would be from \$6025 to \$7350 and \$8250 for the nine-month school year, rates which over 12 months would be \$8033, \$9849 and \$11,000.

A teacher with a master degree and 190 credit hours in his fourth year in 1968-69 was paid \$1075 and would advance to \$1333 this year and \$1444 next year—\$9875 to \$12,000 to \$13,000.

Commendation Medal For Sp/5 Carl Marr

Sp/5 Carl R. Marr Jr., 21, son of Mrs. Ruby C. Gordon, 1015 Market street, received the Army Commendation Medal while serving with the 12th Aviation Group near Long Binh, Vietnam.

Sp/5 Marr earned the award for meritorious service as a signal operations instructor in the group's Headquarters Company. He entered the Army in July 1967, completed basic training at Ft. Leonard Wood, Mo., and was stationed at Ft. Monmouth, N.J., before going overseas in August 1968.

over the nine-month school year, rates which in 12 months would amount to \$12,900, \$16,000 and \$17,333.

To the 1970-71 pay would be added cost-of-living similar to that included in the 1969-70 proposal, but with the maximum limit removed. For the coming year, the board proposed \$16 monthly to help offset inflation.

Brink and Fasick Wedding At Ist Presbyterian Church

The wedding of Miss Jo Anne Fasick and George E. Brink took place Saturday evening at First United Presbyterian Church.

The bride is a daughter of Mr. and Mrs. Ralph W. Fasick, 2105 Cottage avenue. Mr. Brink's parents are Mr. and Mrs. Nicholas R. Brink of Kankakee, Ill., formerly of Granite City.

Arrangements of white flowers and greenery on the altar provided the setting for the candlelight service at 7 o'clock. Rev. David B. Maxton D.D., officiated. The candles were lighted by Lana Earmhardt and Gene Livingston.

The bride, escorted by her father, chose a gown of white silk organza and peau d'ange lace. The Empire bodice of lace had a deep oval neckline and cap sleeves. Lace medallions accented the A-line floor-length skirt, finished with a wide border of scalloped lace at the hem. Medallions and lace edging also adorned the full court train.

A tiered silk illusion veil was secured to the bride's hair with a band of lace over satin and she carried a traditional cascade of phalaenopsis orchids, golden Garnet roses and lilies of the valley.

Mrs. Dennis Cheneault, a sister of the bride, as matron of honor, and Mrs. James Atkins and Miss Bee Von Bokel, bridesmaids, wore identical gowns of

aquamarine linen sate cloth featuring Empire waists accented with bands and small covered buttons.

The gowns had short sleeves and modified square necklines. Bows were placed at the back of the Empire waists and all three wore double bows of the material and mullin veils on their heads. They carried nosegays of golden garnet roses with floor-length yellow streamers.

Ronald Brink was best man for his brother, and the corps of groomsmen and ushers consisted of Walter Bruder, George Moore, Steve Fasick, a brother of the bride, and David Kelly.

Mrs. Isabel Schmidt was the organist, and Mrs. June Branding, soloist, sang "With This Ring" and "The Lord's Prayer." For her daughter's wedding, Mrs. Fasick wore a pink dress and the bridegroom's mother was in apricot ice. Both dresses were cocktail length and both mothers chose corsages of white cocktail orchids.

A reception was held in the church fellowship hall after the ceremony. Miss Nancy Brink was in charge of the register.

The newlyweds will be at home after Aug. 25 in Hazelwood, Mo. Both young people are 1967 graduates of Eastern Illinois University, the bride with a B.S. degree in Education and the bridegroom with a B.S. in Business Management. He is employed in St. Louis by General Motors.

Mrs. Brink will teach in the elementary school system of Jennings, Mo., this fall.

MRS. GEORGE E. BRINK, a bride of Saturday. Before her wedding at First United Presbyterian Church she was Miss Jo Anne Fasick.

MRS. JOHN MEREDITH MCKINNEY. The former Barbara Clare Louis, her wedding took place Saturday at First United Presbyterian Church.

Shower Honors Mrs. Barthelmy

Mrs. Betty Barthelmy was guest of honor Thursday evening at a surprise cascade shower given by the women of the Cedarview Baptist Church.

Decorations in keeping with the occasion were used in the appointments of the shower held in the church social rooms and there were games for entertainment.

Refreshments were served to the honoree, her mother, Mrs. Helen Chandler, Mesdames Gladys Crump, Jan Goswell, Marion York, Betty Smith, Pat Dickerson, Bonnie Collins, Mary Ellen Lewis, Peggy Bargel, Margaret Pithers, Brenda York, Betty Gozla, Norma LaBrot, Fay Morris, Stella Roseman, Sheila Moss, Marie Carter, Sandy Chandler, Janet Kunkin, Joan Hahn, Nancy Norton and Misses Janice Kunkin, and Cheryl and Patti York.

Miss Louis, John McKinney Exchange Wedding Vows

Miss Barbara Clare Louis, a daughter of Mr. and Mrs. James Louis, 2385 Pontoon road, became the bride of John Meredith McKinney, a son of Mrs. Meredith McKinney, and the late Mr. McKinney of Lombard, Ill., Friday evening at First United Presbyterian Church, 22nd street and Delmar avenue.

White carnations and gladioli adorned the sanctuary for the candlelight ceremony performed by Rev. David B. Maxton, D.D., at 7:30.

Mrs. Isabel Schmidt, organist, accompanied the soloist, Mrs. June Branding, Zee Anne Tatum and Carol Schmidt served as candlelighters.

The peau de sole gown worn by the bride had a scoop neckline and an Empire bodice, the A-line skirt flowing gently into a brief train. The bodice of lace was designed with very full sleeves and long tight cuffs trimmed with small buttons and scalloped at the wrists. A peau de sole rose headpiece with lace leaves held in place the bride's illusion veil and she carried a

small bouquet of roses, daisies baby's breath.

A sister of the bride, Mrs. Christina Van Dusen, matron of honor, and another sister, Miss Jamie Kay Louis, and Miss Barbara Daniels of Chicago, a sorority sister, bridesmaids, were dressed alike in coral crepe Empire gowns with full sleeves, buttoned cuffs, and flowing skirts. A round of the waists was a gold braid trim threaded with turquoise velvet ribbon. Juliet caps matched the braid and ribbon and all of the attendants held bouquets of yellow roses tied with turquoise ribbon.

Mr. McKinney was attended by William Evans as best man, Gerald Walters Jr. and Ray Kuznerz, groomsmen, and Gene Sternberg Jr., usher.

For her daughter's wedding Mrs. Louis wore a pale blue and gold knit dress with jeweled buttons and blue accessories, while the bridegroom's mother chose robin's egg blue silk and lace with matching accessories. Both wore white orchid corsages.

A reception was held at Sunset Hills Country Club after the church service.

After a honeymoon, the destination of which was not disclosed, the newlyweds will live at 210 Circle avenue, Apt. 503, Forest Park, Ill.

The former Miss Louis graduated from the Granite City high school and the University of Illinois where she became a member and vice-president of Alpha Phi sorority. She will teach art this fall in the Oak Park, Ill., school system. Also a graduate of the University of Illinois, Mr. McKinney is employed as a management trainee by the Proctor and Gamble Co., Chicago. His fraternity is Chi Psi.

Among the out-of-town guests attending the wedding were Mr. and Mrs. Paul Roseman of Riverside, Calif.; Mr. and Mrs. Carl Chesser of Phoenix, Ariz.; Mr. and Mrs. William Evans, Ray Kuznerz, Riverside, Ill.; Mrs. Marion George, Villa Park, Ill.; Miss Barbara Daniels, Chicago; Mr. and Mrs. Donald Link, Ottawa, Ill.; Mrs. Charles Otto and daughter, San, of Chicago; Charles Hagen, LaGrange, Ill.; and Charles Nute of Arlington Heights, Ill.

The rehearsal dinner was given Thursday evening at Sunset Hill Holiday Inn by the bridegroom's mother.

NAMES OMITTED

Timmy and Theresa Scaturro, cousins of the bridegroom, served as a small bride and groom at the recent wedding of Miss Rose Willtrout and Lee J. Scaturro Jr., and Dale Scaturro, a brother, was ring bearer. Their names were inadvertently omitted in the wedding story.

MRS. RICHARD J. FORREST, the former Annette Gasparovic, who was married Saturday at St. Joseph's Catholic Church.

Miss Annette Gasparovic, Richard J. Forrest are Wed

St. Joseph Catholic Church was the scene of the wedding Saturday afternoon of Miss Annette Gasparovic and Richard John Forrest.

The bride is a daughter of Mr. and Mrs. Andrew Gasparovic Jr., 2150 Edison avenue. Mr. Forrest's parents are Mr. and Mrs. Lloyd Forrest of Rural Route One, Wenona, Ill.

White summer flowers decorated the church altar for the 2:30 service. Rev. Martin Mangin officiated, and a buffet reception was held in the church hall afterward.

Mrs. Donna Henley was in charge of the guest book. Others assisting at the reception were Miss Joy Gasparovic, a cousin of the bride, and Mrs. Aileen Smith, a sister.

Mrs. Cleta Judd, organist, accompanied the soloists. They were John Beveridge of Springfield, Ill., and Mrs. Mary Scanlon. The latter's songs were "One Hand, One Heart" and "Ave Maria Stella." Mr. Beveridge sang "Take Our Bread" and "I Lift Up My Eyes Unto the Mountain," with guitar accompaniment by Steven Nomm.

Two cousins of the bride, Stephen Smith and James Gasparovic, served at the Nuptial Mass.

The bride wore an Empire gown of white silk organza designed with an A-line skirt, long bishop sleeves and a detachable cathedral train. The gown featured tucks down the front and grosgrain ribbon with the same trim on the train. A matching headpiece was caught with bouffant veiling of French illusion and she held a Colonial bouquet of white daisy pom poms, baby's breath and golden Garnet roses.

Mrs. John Shill, a sister of the bride, matron of honor, and

50 Attend Shrine Dinner

About 50 members and guests attended the pot luck dinner of Gabriel Shrine 78, White Shrine of Jerusalem, Thursday evening.

Mrs. Mary Young, district deputy, a member of Apollo Shrine of Alton, was among the guests at the dinner which was followed by practice for the October coronation.

Mrs. Alice Jones is worthy high priestess of Gabriel Shrine, and Louis Marlette is watchman of sleepers. An all officers party will be held with the September meeting.

Miss Monahan Becomes Bride of James B. Klindt

Miss Joyce Monahan, a daughter of Mr. and Mrs. Eugene Monahan, 2452 Benton street, and James B. Klindt, whose parents are Dr. and Mrs. D. A. Klindt of 1941 West Third street, Davenport, Iowa, were married Friday afternoon in an informal ceremony taking place at Calvary Baptist Church.

The former Miss Gasparovic, a senior at Illinois State University, is a member of Sigma Alpha Eta honorary fraternity, majoring in speech correction.

Mr. Forrest attended the schools of Wenona and graduated from Illinois State University with a BS degree in education, with a major in physical education, and a minor in psychology. He is currently teaching physical education, health and driver education at the Ridgewood high school in Norridge, Ill.

The rehearsal dinner was given Friday evening by the bride's groom's parents, at the Elks club.

Among the out-of-town guests here for the wedding, besides the bridegroom's parents, were Mrs. Richard Judd, a sister of the bride, and her children of Athens, Ga.; Mr. and Mrs. Carl Blumestein and son, Milwaukee, Wis.; Mr. and Mrs. Robert Cashman and family, Helen, Wis.; Lt. McCollegan Resumes As YMCA Swim Coach

Fred T. McCollegan has returned to head coaching duties of the Tri-City YMCA swim team after two years of duty in the armed service.

McCollegan first swam on the YMCA team in 1949 at the age of six. By 1958, he was a swimming instructor at the local "Y". He was head swimming coach between 1961 and 1968.

Ten YMCA swim meets are scheduled and several AAU-sanctioned meets are in the planning stage.

McCollegan and his assistant coach, Mike Thorp, intend to include isometric and interval swim exercises and distance swimming in the 6-7:30 a.m. Monday through Friday practice sessions.

Boys and girls, 17 and under, are invited to join the team. Interested swimmers may call the YMCA (876-7290) and request the youth department.

Bethel Wins Playoff

Bethel Evangelical Free took the Church League playoff title from Niedringhaus Methodist 1st 6-4 at Worthen Park Friday.

Bethel scored six runs in the fifth on four hits, three fielder's choices and two errors. Ken Tansley homered.

Adult Judo Classes

Adult judo classes will be offered at the Tri-City YMCA beginning Sept. 15. To be eligible, one must be at least a senior in high school. Further information may be obtained by calling the "Y" at 876-7200.

Schreiber Team--from 40-0 Loser To State Championship in 2 Years

Schreiber's women's softball team of Granite City, the new Illinois slow-pitch champion, contrasts sharply with two years ago, when the team was formed. It lost its first game 40-0 and wound up the initial season with a 2-10 won-lost record.

If the necessary funds can be obtained, the group of girls, mothers, one daughter and a husband coach will become the first team from Illinois to compete at the national Amateur Softball Association women's slow-pitch tournament, to be held this year in Chattanooga, Tenn., Aug. 29-Sept. 1.

Of the 16 players picked to go to Chattanooga, 12 have batting averages over .400.

The team finished first in the local women's league standings and has compiled an over-all

record of 15 wins and two losses in 1969.

Motherly Pitchers

Mrs. Barbara Goldschmidt has a 2-0 pitching record. She is the mother of four boys and is batting .586.

Mrs. Norma Mendoza has five children, bats .441 and has a 3-0 pitching mark.

Joan Mimick is the first starting pitcher, with an 8-2 record. She leads the team in home runs with seven, and bats .574.

Mother-Daughter Teammates

Miss Toni Tinsley, daughter of the catcher, Mrs. Connie Tinsley, practices with the team at every workout session. But 16 years old is too young to play in the Granite City park district league.

ASA rules permitted Toni to play in the state tournament,

where she batted .667, and she can join her mother in the national tourney.

The costs of travel, lodging and meals to attend the national tournament in Chattanooga are prohibitive for the team to meet alone.

The squad is welcoming donations payable to "Illinois Women's Slow-Pitch A.S.A. Boosters" sent to the Granite City Trust & Savings Bank, 1909 Edison avenue.

Other players and their batting averages are: Donna Poulos .661, Molly Trudell .540, Judy Prewett .492, Rosemary Perkins .600, Eileen Bodi .458, Gerry Romero .185, Scott Simpson .211, Linda Valencia .323 and joining the team only for the ASA tournament is Joyce Clifford .500, Nicki Prewitt .615 and Phyllis Boshoff .556.

Kentucky, Schreiber In Women's League Softball Semifinals

Schreiber's Lettering edged Mercer's 6-5 and Kentucky Fried Chicken evicted Mathew's Chevrolet 13-7 in women's softball semifinals playoffs at Wilson Park Thursday.

Schreiber will meet Kentucky for the playoff championship at 7 p.m. Thursday at Wilson Park diamond No. 8.

Mercer's unsuccessfully challenged Schreiber's early lead in the final inning. Schreiber had scored three in the first, two in the second and one in the fourth.

Paddlers Swimmers Honored at Banquet

The annual awards banquet of the Paddlers swimming team was held Thursday night at St. John's United Church of Christ, 2801 Nameck road.

Guests were the 150 team members, parents and the Paddlers club board.

Coach Herb Holland was presented with a gift from Danny Noeth on behalf of the mothers and team.

Judge William Beatty served as master-of-ceremonies for the event. Entertainment was a dance scene participated in by

Tri-City Team No. 2 edged Wood River 3-2 and Tri-City Team No. 1 swamped Collinsville No. 2 by 22-5 in the opening round of the Madison county Knights of Columbus softball tournament Sunday on the Sacred Heart and St. Margaret Mary diamonds.

In other games, Collinsville No. 1 downed Highland 12-4 and Bethalto tripped Collinsville No. 3 by 8-7.

Tri-City No. 2 won as Mike Schuler hit safely to drive Tritschuh in with the winning run in the eighth frame. Home runs in the Tri-City No. 1 slugfest were produced by Rev. Tom Treace and Al Haug.

Polish, Mexicans In 'United Nations' Playoff Victories

Polish Hall expelled Holiday Mobile Homes 9-3 and Mexican Honorary Commission ejected Falstaff 10-4 from championship playoffs of the Northern softball division at Worthen Park Thursday.

The Northern playoff championship game will be held at 7 p.m. Thursday at Worthen Park.

Polish Hall used multiple-base hits and Holiday errors to gain the winning score. Bill Simpson and John Koncovich each homered.

The Mexican team in the third and fifth innings collected all three runs, knocked most of its hits and Holiday errors to gain five errors, all to tilt the close-hitting game to the Mexicans.

Tournaments This Week

Boy's baseball invitational tournaments for each division will be sponsored by the GC park district Saturday and Sunday. All entries must be received at the park office before 6 p.m. Wednesday.

Competitive Activities Added to YMCA Program

The YMCA youth department has added competitive activities for youngsters in its program, according to Charles Hasse, youth director.

The activities include the broad jump, sit-ups, push-ups, ping pong, bounce, pool and table tennis tournaments and jump rope.

The youngster holding the record in a certain event has his picture taken, and his name, record, event and photo is tacked to the YMCA championship board which is on display in the youth department lobby. The record stays on the board until it is broken.

"The 'y' is interested in more personal attention and recognition for the children that we come into contact with," Hasse said. "This new phase of the program has proved very successful in attaining the goals of the youth staff members Roger Miller, Kirk Danner and Mike Rapoff have been coordinating the program under Hasse's direction.

The department will continue the program, with plans to expand to other competitive activities, Hasse said.

Football Practice Set To Start Wednesday

After obtaining a special ruling from the Illinois High School Association, the Granite school board Thursday night voted to let high school football practice proceed on schedule, beginning Wednesday Aug. 20.

Two new coaching staff members, not directly involved in the Federation of Teachers salary schedule disagreement, are to supervise the football team candidates along with Director of Athletics Joseph Federa.

The IHSA ruled that Federa could help coach despite the fact that he does not teach two hours daily, a minimum IHSA requirement.

By having varsity players and sophomores report at different

times during the day, there will be an adequate ratio between students and supervisors, school officials said. In the past, they have reported simultaneously, with seven coaches present.

The schedule calls for all warriors to report at 9:30 a.m. Wednesday for a general briefing, with workouts possibly following in the afternoon. Beginning Thursday, it will be varsity practice from 9:30 a.m. to 11 a.m. daily, sophomores 1 to 3 p.m. and the varsity again from 3:30 to 5:30 p.m.

Madison high school will begin football practices Wednesday after an earlier meeting with prospective players and discussion of the practice schedule.

600 Turnout Signals End of Competition For Supermodifieds

A meager crowd of 600 attended Friday night at the Tri-City Speedway, prompting the Midwestern Racing Association to terminate its racing here.

The MRA will continue to race at Jacksonville, Ill., every Saturday night.

The Southwestern Stock Car Association, which now makes its home at Highland, Ill., is considering moving here.

If the SWSCA members vote to race at the Tri-City Speedway, regular Saturday night semi-model stock car races will begin Sept. 6.

Invitational Tennis Titles Are Decided

Macario Dominguez of the Philippines, a student at SIU, Carbondale, won the men's singles in the Granite City park district invitational tennis meet, defeating his SIU teammate, Gram Snook of New Zealand, 6-3, 6-1.

Dominguez earlier defeated the local favorite and defending champ, John Van Buskirk 6-3, 6-2 in Dominguez' first match, after drawing a bye, he out-volleyed Jim Schwarz 6-1, 6-6.

In men's doubles, Dominguez and Snook teamed to beat Randy Edmondson and John Van Buskirk 6-3, 6-4. Both are Granite Cityans.

In 16-and-under singles, Rusty Menz downed Bill Rusk 5-7, 6-1, 6-2. Both are Granite Cityans.

James Brink of Alton won the men's over-35 singles over Jerry Edmondson of Collinsville 6-4, 6-2.

Local Victories Help Tighten Pennant Race

The Inter-City Baseball League pennant race tightened Sunday as Mercer edged East Alton 3-2. Maryville topped first-place Collinsville 6-4 and Granite City Steel Credit Union beat second-place Pocahontas 3-1.

Scoring began in the second inning when Mercer's recent signee, Jim Becker, singled and was driven home by Bob Finke's double. Becker, who led American Legion Post 113 hitters and the Granite City high school team, in the fourth inning hit a triple but was left on base.

East Alton tagged home in the third and fifth.
Mercer won in the eighth; Steve Schardan walked and 7 Larry Corey homered.
Winner Don Rains struck out six, walked one and allowed six hits.
Tim Blackledge pitched the loss, but retained the top ERA (1.67). He fanned seven, walked four and gave up five hits.

CU Fielders Sharp
Potent Pocahontas bats were stymied by Steve Lengyel's Diamond Plating edged the Pontoon Youth 16-14 in junior high girls' softball at Wilson Park Thursday.

Prose hitting made Diamond Plating the winner, Diane Tessmer and Debbie Isom each homered and doubled.

Moore Wins Twice
Hueber's Raiders out ran Huebner Hardware 17-5 and a Moore Construction shaded Midtown Pharmacy 13-12 Friday and Moore trounced Huebner's Raiders 34-4 Saturday in junior high girls' softball at Wilson Park.

Winner of Dog Show
Mr. and Mrs. Frank Vaughn, 1335 Edwardsville road, won the 9-12-month-old female puppy confirmation trophy with their dog, "Dea Von Stillman," Sunday in a Doberman Pinscher club show at Love Park, St. Louis county.

Golf Meet Winners
In an Arlington golf course tournament Saturday and Sunday, Quad-City residents who placed included: B-flight—Dr. Alan Skirball 4th, Leo Abel 5th, D-flight—John Boyer 1st, Raymond Dragich 2nd, Max Barnes 3rd, G-flight—John Doran 1st, Gerald Bushee 4th.

East Teams Triumph
In Madison-Venice Khoury all-star games Sunday, the East Atoms defeated the West 6-3 and the East Bantams downed the West 7-0 with shutout hurling by Chris Page.

Holland at Scott Base, Transferred to Denver
Spec-four James Holland, son of Mr. and Mrs. James Holland, 2837 Cleveland blvd., wounded in a weapons accident in Vietnam July 19, was flown from a hospital in Japan to the Scott Air Force Base Hospital on Friday.

He remained at Scott for 24 hours while his family was allowed to visit him, and was transferred to the Fitzsimmon Hospital, Denver, Colo., for further treatment.

He arrived at the Belleville hospital on a Stryker frame but was able to move his right arm above his head and to move the right fingers, and was able to speak. He cannot move his left arm or left leg as yet due to the paralyzing neck wound.

He told his parents he had received so much mail while in the hospital overseas that he was called the "mayor of Granite City."

Appreciating all the mail from local residents, Holland would like to hear further from his friends. They may address his mail to: Sp-4 James Holland, Fitzsimmon Hospital, Denver, Colo.

Spec. Harry Garrigus, 19, Killed in Vietnam
Spec-four Harry Garrigus, 19, of Tennessee, husband of Mrs. Beverly Pat Garrigus, 2430R Madison avenue, was killed in action in Vietnam Aug. 8, according to a telegram received by his wife at 4:25 p.m. Sunday.

Serving with the Army Infantry, he arrived overseas in March 1968. Details of his death did not accompany the telegram.

He was born in Martin, Tenn. Other than his wife, he is survived by an eight-day-old son, James Robert Garrigus; his parents, Mr. and Mrs. Hershel Garrigus of Dresden, Tenn.; and several brothers and sisters.

18th-Benton Collision
As Earl Kalina, Collinsville, was turning left from Benton street onto 18th street at 7:30 p.m. Saturday, the left side of his car was hit by the left front of the westbound auto of Helen Christich, 1628 Cedar street.

William Sullivan, 9, Succumbs at Hospital

William Sullivan, nine, son of Mr. and Mrs. Billy Sullivan, 2525 Ivy lane, died at about 8:30 a.m. Sunday at St. Elizabeth Hospital. Ill since birth, the youngster had been hospitalized for the past 12 days. He was the 1963 boy for the cerebral palsy fund drive.

Born in Granite City, he attended the Tri-City Park Tabernacle.

In addition to his parents, he is survived by a brother, Bradley Sullivan; one sister, Caryn Marie Sullivan; grandparents, Mrs. Donna Bone of Granite City, Berry Sullivan of Kansas, Ill., and Mrs. Harvey Brother of Centralia, Ill.; and a great-grandmother, Mrs. Mary Jones of Granite City.

Funeral arrangements are given in the obituary column.

Large Truck Owners To File Use Tax Return

Owners of large trucks, truck-trailers, or buses operated on public highways during July are required to file a Federal highway use tax return, Form 2290, this month, Jay G. Philpott, district director for central and southern Illinois, said today.

A newly revised schedule of taxable weights, effective July 1, contains 21 weight categories for single unit or straight trucks, tractor-trailers and truck-trailer combinations.

The new schedule recognizes that larger trucks are using the highways and also that some trucks are of sturdier construction, and are carrying heavier loads. No change was made in the fee schedule for buses operating on public highways.

The regular period for the highway use tax runs from July 1 through June 30 of the following year. Owners of trucks in use on public highways during July, have to file a return by Sept. 2 of this year. Returns will also be required for vehicles that are first placed in use in August and subsequent months. These returns must be filed on or before the last day of the month following the month the vehicle is first used on the public highways.

IRS Publication 349, "Federal Use Tax on Trucks, Truck-Trailers and Buses," furnishes detailed information on this subject and may be obtained free by sending a post card to Publications, P. O. Box 1468, Springfield, Ill. 62705.

Double-Ring Ceremony for Gruber-Syniski Nuptials

A double-ring ceremony Saturday morning at St. Mary's Catholic Church in Madison united in marriage Miss Kathryn Faye Syniski, a daughter of Mr. and Mrs. Frank Syniski, Clearview Acres, the Bend, Madison, and Frank Edward Gruber, a son of Mr. and Mrs. Frank Gruber, 403 Westwood drive, Collinsville.

Rev. Sylvester Micek officiated at the 11 o'clock High Mass.

Altar bouquets of white 'mum and daisy' pom poms were on the altar and the pews were marked with ribbon bows, daisies and greenery.

The soloist, John Stanfill, sang "Ave Maria," "Where Charity and Love Prevail" and "On this Day," accompanied at the organ by Mrs. Marge McGarrahan.

The bride, escorted down the aisle by her father, wore a skimmer gown of ivory organza trimmed with motifs of re-embroidered Alencon lace from the bodice to the hemline. It featured a sculptured wedding ring collar, long full bishop sleeves and buttoned down Edwarian cuffs also trimmed with re-embroidered lace.

A full length chapel veil of ivory silk illusion was held in place with a spray of lace motifs and seed pearls. The bride held a bouquet of white roses, stephanotis and white Elegance carnations.

Mrs. Georgianne Skinner, a sister of the bride, was matron of honor and Miss Mary Ellen Zikovich, a cousin, Mrs. Janice Feiner and Mrs. Janet Heinz were bridesmaids.

They wore floor-length gown of white organza, bands of white satin and white Venice lace daisies trimmed the necklines and the full sheer bishop sleeves. Bows and streamers of white were used on the back and they wore headpieces of bouffant tulle which held in place clusters of daisies. The attendants held nosegays of daisies and greenery.

Two flower girls, Susan Skinner, a niece of the bride, and Debbie Syniski, a cousin, wore yellow dresses of embroidered organza with short sleeves and carried white baskets filled with daisies. Michael Skinner, a nephew of the bride, ring bearer, preceded the bride and her father down the aisle.

William Kalkhoff was best man for the bridegroom and

Danny Morgan, a cousin of the bride, Dennis Loyet of St. Louis and Steve Loyet of Troy, both cousins of the bridegroom, and John Onaskey and Jerry Loyet, the latter of Troy, served as groomsmen and ushers.

The bride's mother chose a mint green silk shantung dress trimmed with re-embroidered lace and pearls, and the bridegroom's mother wore a powder blue voile dress. Both wore cymbidium orchid corsages.

The wedding breakfast was held at the Rose Bowl and a reception for about 500 relatives and friends was held at the American Legion Hall in Venice. Miss Christina Sandor was in charge of the register.

The former Miss Syniski graduated from the Madison high school in 1964, and Illinois State University in 1968. She is a member of Pi Omega Pi, honorary fraternity, and Phi Beta Lambda social sorority. She taught at the Madison junior high school last year and has accepted a position at the Jane Adams elementary school in Melrose Park, near Chicago for the fall term.

Mr. Gruber graduated from Assumption high school in East St. Louis and attended Washington University and the University of Illinois. His fraternal interests are Beta Theta Pi and Xi Phi Phi. He is presently a junior at Loyola University School of Dentistry.

After a honeymoon in the Wisconsin Dells, the newlyweds will live in LaGrange Park. The rehearsal dinner was given Friday evening at the Roundtable restaurant, Collinsville, by the bridegroom's parents.

VISITS PARENTS

Mrs. Michael Orrison and her daughter, Susan, of Lacon, Ill., have returned to their home after a week's visit with her parents, Mr. and Mrs. Charles Jungels, 2541 State street. Mrs. Orrison will be remembered as Linda Jean Jungels.

Miss Nancy Drew Becomes Bride of Gary McIlvoy

Miss Nancy Drew and Gary McIlvoy were married Saturday morning at St. Elizabeth Catholic Church.

The bride's parents are Mrs. June Drew, 2212 Richmond avenue, and William Drew of Troy. Mr. McIlvoy is a son of Mr. and Mrs. Wayne McIlvoy, 2605 Edison avenue.

Urn of light blue and white daisies decorated the altar for the 10:30 ceremony performed by Rev. Lawrence Mattingly. A program of wedding music was furnished by Charles Swick organist, and Robert Spengler, vocalist. The songs were "Theme From Romeo and Juliet," "Somewhere" and "On This Day O Beautiful Mother." Given in marriage by her father, the bride wore a gown of pure white silk organza fashioned with a high neck banded with Venice lace motifs. The lace also formed vertical stripes through the bodice, the teacup sleeves, and into the long A-line skirt.

A detachable train, sweeping from the back waistline, was adorned with more of the lace and a cathedral veil fell from a bridal cone with bands of lace. A small colonial bouquet of white daisies, accented with light blue daisies and baby's breath tied with white, navy blue, green and light blue streamers was carried by the bride.

The honor attendants and bridesmaids were dressed alike in navy blue shantung gowns with sleeveless bodices and high necks trimmed with Vol lace. The lace, in a vertical design, had floral embroidered motifs of light blue and moss green. The gowns were complemented with navy blue straw picture hats adorned with green and blue ribbon. Adding to the effectiveness of the costume were colonial bouquets of white carnations, light blue and yellow daisies and baby's breath.

Miss Kathy Hill was honor attendant and Miss Patty Drew, a sister of the bride, Miss Cindy Drew, a cousin, Mrs. Robert York and Mrs. Dan Partney served as bridesmaids.

Two little flower girls, Janis Petrovich and Robin York, wore short white frocks with puffed sleeves and high collars trimmed with lace. Moss green and blue sashes accented the dirndl skirts and they carried baskets of light blue daisies. Richie Renaud was ring bearer.

Michael McIlvoy was best man for his brother, and Gary Eads, Michael Miller of Mansfield, Ill., John Strawn of Atwood, Ill., Don Stuckey, Effingham, Ill., Jack Shives and Bill

MRS. FRANK GRUBER, a bride of Saturday. The former Kathryn Faye Syniski, she was married at St. Mary's Roman Catholic Church in Madison.

SUZAN MARIE FERGUSON MARKS SECOND BIRTHDAY

Friday Last Registration Day For Con-Con Primary

With Friday the final date on which new voters may register to vote in the Sept. 23 primary election for Illinois Constitutional Convention delegates, County Clerk Eulalia Hatz pointed out today that Quad-City residents may register this week with any one of ten deputy registrars in the area.

Persons already registered as voters but who need to correct their records because of change of name or address also must meet the Friday registration deadline, Miss Hatz said. They also may make such record changes with the local deputy deputy registrars rather than travel to the county clerk's office at Edwardsville.

Area residents who qualify as voters to ballot in the Sept. 23 election are those who will be 21 years of age on or before Sept. 23, are citizens of the United States and have lived in the state one year, the county 90 days and for 30 days in the precinct in which they live.

May Use Card

A change of address also may be made by noting the change on the reverse side of the voter's registration card (pink card) and mailing it to the county clerk's office at Edwardsville. Voters who do not have a pink card showing an expiration of July 31, 1972 should contact the clerk's office, Miss Hatz said, to check on the status of their registration. If the pink identification card has been lost, a duplicate can be issued only by the county clerk's office upon request of the voter.

Deputy registrars with whom new voters may register or present voters may make record corrections include:

Granite City — Mrs. Olive Sigite, 2229 Bryan avenue, evenings by appointment, phone 877-5538; Mrs. Rose Turner, 2141 Waterman avenue, 6 p.m. to 8 p.m. Saturdays by appointment, phone 931-4128; Mrs. Elvira Thurber, 1932 State street, a.m. to 5 p.m. daily and 9 a.m. to noon on Saturdays, evenings by appointment. RELIGIOUS CENTER FOR SIU-SW CAMPUS.
The new religious center will feature the functional design of R. Buckminster Fuller's geodesic dome.

Six religious organizations are financing the unique structure scheduled for completion in 1970.

Privately Financed Religious Center Planned at SIU-SW

The first schematic drawings of the symbolically designed privately financed religious center at Southern Illinois University-Southwestern Campus, have been completed.

The unique religious center, featuring the patented geodesic dome of architect R. Buckminster Fuller, is scheduled to be located on the northwest section of the campus with the 90th meridian line running through its center.

The non-traditional structure will have a square base containing offices and meeting rooms, with the dome on top as

the central worship area. The east wing of the base will be set into the slope of the terrain with the west portion opening out onto level ground. The dome will be composed of colored, transparent plexiglass.

The brain-child of anthropologist-architect Fuller, the structure highlights religious symbolism. By situating it on the 90th meridian line on campus, and graphically structuring the earth on the ceiling of the dome with colored plexiglass, "people standing on the inside will get the feeling that they are standing at the center of the universe," Fuller said.

The idea began with six religious denominations on campus seeking a common place of worship. According to Rev. Robert J. Treat, the campus ministers were unresponsive to conventional building ideas because they dictated separate worship facilities for the various denominations. "We thought common use facilities would be much more practical," he said.

The ministers then called on the talents of SIU's professor of design, an internationally known architect. "In a very short time Prof. Fuller presented his idea for the domed structure to us, and we've been excited about it from that moment on," Rev. Treat said.

The religious center is being financed through the cooperative efforts of the United Methodist, Roman Catholic, American Baptist, Missouri Synod Lutheran, United Campus Christian Foundation and Episcopal churches. Public subscriptions are also included.

The preliminary structure, called a "habitable shell," is expected to be completed by September 1970 at a cost of \$250,000. However, Rev. Treat noted, some adjustments on the exact location of the center will have to be made in order to compensate for other proposed campus buildings in the immediate vicinity.

Roswell Parsons, 76, Dies; 50-Year Mason

Roswell C. Parsons, 76, of 2217 Illinois avenue, ill for five years, was stricken at his home and was pronounced dead upon being taken to St. Elizabeth Hospital at 11:45 a.m. Saturday.

He was a 50-year member of Masonic Lodge #27 and was a member of the First United Presbyterian Church of Granite City, Edwad Shrine Temple, the Scottish Rite and Tri-City Shrine club.

Mr. Parsons was a former member of United Steelworkers Local 16. Before retiring, he worked 25 years at Granite City Steel Co., where he was operator of a charger machine.

He was born in Birds Point, Mo., and resided here 75 years. He is survived by his wife, Mrs. Edna E. Parsons; a daughter, Mrs. Delbert (Jacqueline) Landers, Edwardsville; a son, brother, Warren E. Parsons, Cleveland, O.; and two grandchildren.

Funeral arrangements are given in the obituary column.

Ernest Kottmeier Receives Promotion

Ernest C. Kottmeier, a graduate of Granite City who graduated in 1924 from the local high school, has been appointed assistant secretary of the Commercial Insurance Companies at Chicago, headquarters for the group's western department.

Kottmeier joined the group in 1930 as a special agent in St. Louis and later served at Davenport and Muscatine, Iowa. He returned to St. Louis as agency supervisor in 1937, advancing to resident manager in 1950. In 1961, he was named agency superintendent at Chicago.

Main headquarters for the firm is in New York City. Also named as an assistant secretary at Chicago at the same time was Willard A. Davis, who served as superintendent in the fire underwriting department at Chicago since last year.

Democrats Mark Fair Day in Attacks on GOP

Democrats from all over Illinois—including a large delegation from the Quad-City area—gathered in Springfield Thursday to observe Democratic Day at the Illinois State Fair and to hear Democratic state officials attack the administration and fiscal policies of Republican Gov. Richard B. Ogilvie, particularly for his tax program.

The four principal speakers, Lt. Gov. Paul Simon, Secretary of State Paul Powell, Auditor Michael J. Howlett and Treasurer Adlai E. Stevenson III expanded their criticisms to include the administration of President Nixon and agreed in predictions that the Democratic party will make a sweeping comeback in next year's state and national elections.

Howlett pointed to "notable gains" made by Democratic candidates in local elections in the state last spring.

"We will make even bigger gains in the 1970 elections because we have positive leadership," Howlett said. "We represent the best interest of the greatest number of people because we fight oppression at home as well as overseas—because we represent no special interest."

Attacks Bond Bill

Lt. Gov. Simon focused his remarks on what he called the worst piece of legislation in Illinois in 150 years—the \$2 billion road bond bill which, he said, is "good news to the big bonding companies, but hardly good news to the taxpayers."

"If we continue the present fiscal madness which marks the highway program of this administration we'll have to change our license plates from the Land of Lincoln to the Land of Indebtedness," he said.

Stevenson praised Democratic leaders of the General Assembly for preventing Ogilvie and Republican legislators from taxing individual income as high as corporations and for generating support to kill an unfair tax on services.

He reminded his audience that Ogilvie campaigned in 1968 on economy and no new state taxes but federal tax sharing instead. "Instead of asking for no new taxes," Stevenson said, "Gov. Ogilvie presented the most extravagant tax program in the history of the state . . . instead of economizing and cutting expenditures the governor proposed a 45% increase in state spending including a staggering 300% for his own office."

Powell attacked a new license fee program adopted by the General Assembly under which motorists will have to pay higher auto license fees starting in 1970.

FIRST RUNNER-UP to the 1969-70 Illinois DeMolay Sweetheart is Rebecca Thomason of Granite City, receiving her trophy from Stanley Meister, Illinois DeMolay master counselor.

State DeMolays Honor Miss Thompson at Meet

Rebecca "Becky" Thomason, 17, daughter of Mr. and Mrs. Ewing Thomason, 5425 Evergreen drive, was chosen as first runner-up to the 1969-70 Illinois DeMolay Sweetheart at the 41st annual DeMolay convocation held during the weekend at Western Illinois University, Macomb.

She was one of 18 contestants from DeMolay chapters across the state and is the current Sweetheart of the local James Stuart chapter.

She was presented with a trophy prior to the crowning of the state Sweetheart, Lola Bigler of Carbondale, by State Master Counselor Stanley Meister at coronation ceremonies Saturday night during the grand hall in the university student union building.

Mrs. Thomason, her mother, was a chaperone during the three-day event, which also was attended by 26 DeMolays and two advisors from the local chapter.

Fall Gassen Reopening

A reopening by November is hoped for at Gassen's drug store, Nameoki Village shopping center, where regular operations were resumed last week in a large trailer. Woman Held on Pistol Charge After Fight

Maude Ward, 55, of 1121 Bissell street, Venice, and her neighbor, Steve Palmer, 63, of 1123 Bissell, were arrested by Venice police at 6:15 p.m. Saturday following a fight at Palmer's home in which, police said, the woman attempted to fire a pistol at Palmer.

Officers were called to Palmer's home, where they found the couple fighting. Each wanted the other to be arrested, police said. While police were present, the two began fighting again and an officer grabbed the woman, who broke away, pulled a pistol from her blouse and allegedly pointed it at Palmer.

An officer grabbed her arm. She was booked on disorderly conduct, unlawful use of a weapon and failure to possess a firearm owner card. Palmer was charged with disorderly conduct and was released on bond.

Budget Vote Thursday

The Madison school board will adopt its tentative 1969-70 budget, hire an art supervisor and name cafeteria and fuel oil suppliers at a monthly session at 7:30 p.m. Thursday at 1707 Fourth street. Final budget action is to follow a public hearing Sept. 25.

C. E. Eads Wins Three First Places at Fair

C. E. Eads, 2621 State street, an expert rose grower, received three first-place ribbons and several second and third places for his entries at the state fair at Springfield, which ended Sunday.

His firsts were for a hybrid tea rose called "Swarthmore," a hybrid perpetual named "John Laing" and a shrub rose known as "Dr. Eckner." Eads and his wife are members of the American Rose Society and Greater St. Louis Rose Society. He is owner of Eads Sales Co.

3 Hit-Run Crashes

Hit-and-run cars damaged the southbound auto of William McGraw, 2105 Lincoln avenue at Lincoln and East 23rd street at 10:35 a.m. Saturday, the parked car of Otis Rogers, 1605A Third street, Madison, at the Belleme Village shopping center at 1 p.m. Friday and the parked auto of Alma Hale, 243 East 23rd street, at the St. Elizabeth parking lot at 3 p.m. Saturday.

Crash on Yale Drive

Forced over by approaching traffic, the auto of Miss Lynn Papes, 18, of 2653 Center street struck the right rear of the parked car of Lenard Fleishman, 2824 Yale drive, at the latter address at 4:15 p.m. Friday. There was damage to the right side of the Papes auto.

Plan Bridge Improvements; Partial Interest Default

More than \$2 million in improvements on the Venice-owned McKinley Bridge are recommended in a bridge inspection report filed with the Venice city council Friday night by Hardesty & Hanover, New York engineers representing the bridge bondholders.

The report lists only \$13,500 in repairs which are urged for completion during the 1969-70 fiscal year, and schedules \$1,583,500 in work as projects "that may be advisable if a need for them develops."

Other improvements in the category include final modification of the roadway lighting system on the bridge, \$127,000; installation of a new fire protection system, \$41,500; and widening the deck to improve the Venetian approach on the westbound lanes at the top of the Venice approach, \$285,000.

The engineers noted that the Venice bridge administration completed \$98,044 in improvement and repair work during the current year which ends Sept. 30.

Revenue Still Short

During a discussion of the inspection report, Mayor John E. Lee told council members that bridge revenue by the end of the current fiscal year should be sufficient to pay all "A" bond maturities, meet requirements of the replacement and improvement fund, and pay about \$70,000 on the \$110,000 interest on "B" bonds due Oct. 1.

It will mark the third biennial in which Venice has been forced to default on part of the "B" bond interest.

Interest payments on "B" bonds in the amount of \$110,000 are due twice a year on April 1 and Oct. 1.

The engineers' report said inspection of the span showed the bridge is in a satisfactory state of repair and that its basic condition is good. Traffic on the bridge is handled in an expeditious manner.

It added that "we find the bridge is being operated in conformity with requirements of the bond ordinance and that it is receiving prudent and intelligent management."

Improvements recommended for 1969-70 include replacing a missing section of the expansion for the street department, \$457 for garbage collection, \$237 for the fire department and \$2070 for city officials' salaries.

Mrs. Irene Jackson, Formerly of GC, Dies

Mrs. Irene C. (Endicott) Jackson, 81, Staunton, formerly of Granite City, died at 4:20 p.m. Saturday at Community Memorial Hospital, Staunton.

A native of Granite City, she moved to Staunton about 28 years ago after residing in St. Louis. She was a member of St. Paul United Church of Christ in Staunton.

She is survived by her husband, Willard E. Jackson Sr., Staunton; a son, Willard E. Jackson Jr., Staunton; a daughter, Mrs. Leola Papp, Staunton; her mother, Mrs. Edith Webster Endicott, Staunton; a sister, Mrs. Katherine Schenck, St. Louis; and four grandchildren.

An obituary notice appears elsewhere in this issue.

Future Work Suggested
Projects listed to be carried out in the future included estimated cost of \$660,000 for replacement of the asphalt-covered timber deck with a concrete deck.

Other improvements in the category include final modification of the roadway lighting system on the bridge, \$127,000; installation of a new fire protection system, \$41,500; and widening the deck to improve the Venetian approach on the westbound lanes at the top of the Venice approach, \$285,000.

Traffic Charges Filed
Richard L. Wilson, 2413 Bromley avenue, was charged with driving without a front license plate Friday at Benton street and Pebling road. Arrests on Saturday included C. R. Cole, 1901 State street, obstructing a lane of traffic at street and Madison avenue, Sandra Crook, 1708 Minerva avenue, left turn without signal at Niedringhaus and Madison avenues, and Aaron Wilson, Berkeley, Mo., passing a traffic signal at East 23rd street and Nameoki road.

Madison Accident
Damage to the right door of an auto driven by Kenneth L. Sorenson, 721 Third street, Madison, resulted from an accident at Sixth street and Madison avenue at 4:10 a.m. Saturday. Stopped for a traffic signal, it was struck by a car being backed out of a parking place by Cecil L. Wilcox, 2991 National avenue.

Speeding Arrests
Radar and speeding charges were filed by Granite City police during the weekend against Ivor Roberts, 2135 Lee street, Robert Graham, 2906 Propes street, Joseph R. Chestnut street, Thomas Heren, 2912 Edgewood drive, Michael Harris, 2617 Washington avenue, and James Kietz, 3278 Franklin avenue.

Michael Graville Undergoes Surgery

Michael Graville, a former teacher at the Madison high school district, underwent major brain surgery Friday at the DuQuoin Hospital. He is employed as a counselor at the high school.

He will be a patient for ten days and then will lead football practice. He resides at Perry Park drive, and his parents are Mr. and Mrs. Vasil Graville of Madison.

Motorists Charged

Careless driving charges were filed in Granite City yesterday against Charles Dietrich III, 1809 Bremen street, and Smith, East St. Louis, and Larry Bittick, 4837 Highway 162 and on Friday against Nathan Brewer, 2622 Grand avenue, and James Stack Jr., 3027 Iowa street. Stack also was charged with passing a stop sign at St. Clair and Wayne avenues.

500 Attend Picnic
About 500 attended a picnic and dance Saturday at the Polish Hall, Madison, sponsored by the St. Stanislaus Lodge under the leadership of Sigmund Mulinik, president, and Bob Pare, activities chairman. The all-day event was a fund-raising project for the lodge's youth program.

License Charge Filed

Charles L. Bell, St. Louis, was charged Thursday with driving a delivery truck without an express or dray license at 22nd street and Madison avenue.

Professors Assigned To SIU-SW Faculty

Staff and faculty appointments for the Southwest campus approved by the Southern Illinois University board in a meeting at Carbondale Friday, effective on Sept. 24, the start of the fall term, included Miss Joann Cheneault, a native of the Bluff, Mo. She was named professor in the Education Division.

She received the doctor of education degree from the University of Kentucky and has served at the University of Pittsburgh and the University of Massachusetts.

Nicholas A. Masters, a native of Carbondale, was named professor in the Social Sciences Division, SIU-SW. Co-author of three books, he has served at Pennsylvania State University. He took his doctor of philosophy work at the University of Wisconsin.

Arthur Witman was appointed visiting professor of Journalism for the fall quarter at Carbondale. He has been employed by the Post-Dispatch.

Major M. Brown, professor in humanities at SIU-SW, will serve as executive dean for academic affairs.

Fire Destroys Metal Co. Shed, Locker Room

Fire destroyed a tool shed and a locker room at the Hyman Michaels metal yards in Venice last night. No estimate of the damage was immediately available. Firemen said they were called at 9:35 p.m. and were at the scene until midnight.

Cause of the fire was undetermined. Firemen were called back to the site at 1:20 a.m. today when weeds caught fire, apparently from smoldering embers, and remained until 1:50 a.m. to extinguish the blaze.

Two Cars Damaged

Cars driven by Jasodowicz, 1913 Fifth street, Madison, and Barbara Kutz, 1234 Robin street, Venice, were damaged in a collision at Seventh street and Broadway, Venice, at 3:45 p.m. Thursday, police reported.

The Jasodowicz car was eastbound on Broadway, and the Kutz car was headed south on Robin and turned left into Broadway when the mishap occurred, officers said.

WELCOME NEW MEMBERS

Two new members, Mrs. Eunice Denny and Mrs. Marjorie Poole, were welcomed Thursday evening at a regular meeting of the Will Show 'Em club held in the home of Mrs. Esther Reutzel, 2412 Pontoon road, with the leader, Mrs. Marie Berger, presiding.

Mrs. Berger called the meeting to order as the members repeated the pledge of allegiance and the "Let's Off Pounds Sensibly" pledge. Standing in a circle formation, the group sang the friendship song and roll call was answered with the week's weight losses and gains.

Mrs. Jackie Schulte and Mrs. Ruby Corbitt, who tied for the queen title the previous week, crowned this week's queen, Mrs. Poole, with a silver tiara. She received a basket of fresh fruit which the penalized members provided.

Mrs. Berger announced that Miss Naomi Love was the queen for July. She was awarded a charm for the club's second weight plateau.

Mrs. Ruby Corbitt and Mrs. Frances Faek also received a silver charm for meeting a significant weight goal. The leader announced that a picnic will be held Sept. 13 and a rummage sale Sept. 20. Mrs. Berger resigned her post due to employment and the group elected Mrs. Katherine Smith.

Following adjournment games were played. Hostesses for the evening were Mrs. LaVerna Corbitt and Mrs. Darlene Hartzel, and prizes were awarded to Mrs. Berger, Mrs. Mary Nemeth, Mrs. Reutzel and Mrs. Smith.

Others answering roll call were Mrs. Bernice Cergen, Mrs. Olivia Little and Mrs. Alida Yurke. Those interested in joining may contact Mrs. Nemeth at 931-5205. The next meeting will be Aug. 21 at the Reutzel home.

HONOR BRIDE-TO-BE, MISS CHERYL LANDIS

Miss Cheryl Landis, another of the many late summer brides-to-be, was complimented with a miscellaneous pre-wedding shower and party Thursday evening given by Mrs. Julie Barnes and her daughter, Miss Patricia Barnes, in their home, 3029 Dale avenue. Miss Barnes is a prospective bride.

The decorations were in yellow and white with cascades of yellow crepe streamers accented with white wedding bells surrounding the head table to carry out the wedding theme.

The bride-elect, a sophomore at SIU-SW, is the daughter of Mr. and Mrs. Charles Landis, 2815 Dale avenue. She received many gifts. Games were played and prizes were awarded to the winners.

The hostess served refreshments to the honored guest, her mother, Mrs. Barbara Landis, the prospective groom, Mrs. Sybil Perry, and Mesdames Estel Click, Ralph Graf, John Carbone, Robert Chinn, Floyd Williams, Alden Woods, Robert Mohr, Jack Calve, John Perry and Misses Alice Carbone, Joan Chinn and Patricia Barnes.

Miss Landis is to be married to Stephen L. Perry, son of Mr. and Mrs. Robert Perry, 2908 Dale avenue, Aug. 30 at the First Presbyterian Church, with Rev. David Maxton officiating.

Mrs. Dolores Sanders, 2624 East 28th street, has announced that the Koffee Klatchers Social club will meet at her home Tuesday at 8:30 a.m. for its August meeting. Members are to bring "white elephants."

GIRL SCOUT COOKOUT

Mrs. Venka Ambuehl, 1722 Maple street, leader of Junior Girl Scout Troop 738 of the Washington PTA, entertained the scouts at a cookout in her home Thursday afternoon and they made plans for the coming scout school year. Mrs. Margaret Barton, leader, who is leaving the troop to lead a Cadette troop at Prather junior high, assisted with the festivities.

The scouts discussed troop activities and fall plans. Their regular meetings resume in September.

During a court of awards ceremony, several received troop camper badges. The junior girls cooked hamburgers.

'Old Main' Decision; Surface SIU-SW Lot

A Cutler firm was awarded a contract Friday to erect a temporary classroom building complex for lease to SIU at Carbondale. Two pre-fabricated steel structures will be set up on the east campus to replace classroom and office space lost in the June 8 fire that destroyed the Old Main building.

The \$339,736 contract awarded to R. H. and S. Steel Suppliers covers a three-year lease. The two buildings will include 20 classrooms in one wing and an estimated 50 office stations in another. Office desks will be used in rotation, so that more than 150 teachers—most of them English department teaching assistants—may work in the temporary facility.

Concrete foundation pads will be retained for use as recreational facilities after the steel buildings have served their use. After three years, a Humanities-Social Sciences Building is scheduled for completion.

In other business, the SIU board Friday awarded a \$90,533 contract to Bituminous Fuel and Oil Co. of Collinsville for new walks, steps and surfacing of the General Office Service Building parking lot at the Southwestern campus.

Basic Income Tax Classes Will Start

Russell N. Ackerman, St. Louis metropolitan manager for H & R Block, America's largest income tax service, has announced that the first tax school division is now forming classes for the Block basic income tax course beginning Sept. 16.

Purpose is to train anyone interested in learning federal and state income tax work, with the later possibility of employment in any of the more than 4000 Block offices coast-to-coast. Ackerman estimates that his firm will train over 40,000 individuals in the Form 1040 this fall.

He said the ever-increasing detail work in preparing tax returns makes it imperative that tax consultants be updated and thoroughly grounded in tax changes and theory. "Graduates of our school will be qualified for immediate employment, whether they work for us or not."

Classes will be conducted in 14 H & R Block offices in St. Louis city and county. St. Charles and Arnold in Missouri and Belleville, Alton, Edwardsville and East St. Louis in Illinois. Tuition fee includes all textbooks, supplies and necessary tax forms for practical work.

The course will consist of 24 three-hour sessions beginning Sept. 16, with the choice of morning, afternoon or evening classes.

Young Bicyclist Beaten

Larry Downs, 13, of 2422a Delmar avenue, suffered facial bruises and a bloody nose at 21st and Lee streets at 8:10 p.m. Saturday when beaten by two youths who halted his bicycle. The two said nothing and gave no reasons for their action. He was treated and x-rayed at St. Elizabeth Hospital.

Name-ki Road Crash

When Arthur Schrage, Stanton, Mo., left from Nunnoki road toward the Name-ki Village shopping center at 12:25 p.m. Saturday, the side of his car and the front of the southbound auto of Jane Lambert, 2652 Adams street, collided.

The remainder of the afternoon was spent in a recreation period. Attending were Kathy Ambuehl, Karen and Sharon Cantlon, Pamela Collins, Sheila Diehl, Venus Derr, Diane Pickett, Patti Taylor, Lauri Wilson and the new co-leader, Mrs. Rosemary Ortiz and her daughters, Kathy, Mary and Josephine.

CELEBRATE BIRTHDAYS The Quilling circle of Trinity Methodist Church met there Wednesday for a regular all-day sewing session. The circle has completed 19 quilts this year.

The group celebrated the birthdays of three of its members, Mrs. Ellen Christy, Mrs. Jessie Jennings and Mrs. Jane Shafer, who observed their anniversaries last week.

A sack lunch was shared at noon and other members present were Mrs. Anna Dowdy, Mrs. Lucille Benda, Mrs. Mary Hyle, Mrs. Anna Nelson, Mrs. Sarah Hankins and Mrs. May Luckert.

Mrs. Margaret Grill Dies of Heart Attack

Suffering a heart attack at her home, Mrs. Margaret Rose Grill, 62, of 779 East Chain of Rocks road, Mitchell, was pronounced dead upon arrival at St. Elizabeth Hospital at 8:45 a.m. Saturday. She had been ill for a year.

Born at East St. Louis, Mrs. Grill moved here from East St. Louis ten months ago to become manager of the Apple Valley motor hotel at the East Chain of Rocks address. She was a member of St. Elizabeth Catholic Church.

She is survived by her husband, Orville Grill, one son, William Edward Grill of Collinsville; a stepson, Charles Grill of San Francisco, Calif.; a daughter, Mrs. John R. (Rosemary) Rudy, East St. Louis; one sister, Mrs. Earl (Marie) Kirchner, Granite City; and nine grandchildren.

Funeral arrangements are given in the obituary column.

Auto Strikes Fence, Four Charges Filed

Jack Edward Ford, 17, of 1121 Market street, Venice, was held in the Venice city jail on four charges today after an accident in which police said his car damaged a fence at the home of Charles A. Sherry, 716 Brown street, at 4:55 p.m. Saturday.

Ford was charged with careless driving, driving without a driver's license and leaving the scene. Later, officers said, they heard a noise in the jail cell and learned a plumbing fixture had been damaged; an additional charge of vandalism was filed against him.

Collide in Venice

Cars driven by Joseph McCain, 265 Hill street, Eagle Park Acres, and Bruce Kalogerou, 217 Kerr street, Venice, were damaged in a collision at 7:25 p.m. yesterday at Market street and Broadway, Venice. McCain was headed west across Broadway and Kalogerou was northbound. McCain's car was damaged in the front and the other auto in the right side.

Thousands of Synthetic Chemicals Going Into Use; Will They Cause Death, Disability, Disfigurement?

(American Chemical Society)

Scientists are becoming increasingly concerned that man may be on the road to genetic disaster.

Geneticists, physicians, chemists and growing numbers of the public at large are becoming aware that LSD, various drugs, antibiotics, pesticides, artificial sweeteners, food preservatives, substances in tobacco smoke and even caffeine may possibly be mutagenic in man.

This means they could produce changes in human reproductive cells that would affect future generations, explains Senior Associate Howard J. Sanders in a two-part article on "Chemical Mutagens" in *Chemical and Engineering News*, the weekly news magazine published by the American Chemical Society.

Now well established is the fact that certain chemicals are mutagenic in bacteria, plants, animals and cell cultures. Whether or not they are also mutagenic in man is what remains to be determined.

It is hoped that continued genetic and chemical research can provide some answers.

Several factors are contributing to the recent urgency of interest in studies about mutagens.

1. There is a growing realization that man is being exposed to thousands of synthetic chemicals that didn't exist a decade ago.

2. Expanding research has shown conclusively that a sizable number of chemicals widely used by man are mutagenic in lower organisms.

3. Recent advances in the understanding of the chemical structure of the body's genetic material, DNA, have been made.

4. Cancer research shows that a number of compounds that cause cancer in various animals also cause mutations.

5. There is a growing awareness of the severe problems of birth defects and the substantial parts that mutations may play in causing death, disability or disfigurement in humans.

No one has yet shown conclusively that any chemical causes mutations in man's reproductive cells. But perhaps, as more evidence accumulates, various cause-effect relationships will become evident—as occurred in the study of the harmful effects of smoking.

Decidedly, research on the complicated subject of chemical mutagens has its problems. It would be unthinkable to subject humans at test subjects when the unpredictable results of deliberately experimenting with possibly mutagenic chemicals in man could be so harmful.

Most of the data collected so far are on the effects of these chemicals in bacteria, fruit flies, mice, rats and rabbits. Applying results to humans is very difficult—and the subject of much controversy and criticism.

As might be expected, authorities in the field are themselves sharply divided on the issue of what action to take if a chemical is strongly suspected of being mutagenically dangerous.

How much evidence must be compiled before a government regulatory agency should ban or greatly curtail the use of a suspected compound?

Not to be outdone by publicists, inner circles of geneticists are calling on the other "gamblers," non-workers, "conservatives," "academics" and "the public."

On the other hand, all of them are recommending "further detailed study" in the immediate future.

One scientist comments pessimistically: "If the public flirts rapidly to take decisive action on the basis of the massive volumes of data linking cigarette smoking to lung cancer, how can we expect people to act vigorously on more hazy and indefinite things—like a chemical that may, or may not, be mutagenic in man, and may or may not produce its damaging genetic effects for another hundred years or more?"

Founders of Socialism Recalled

"Beatrice Webb, A Life," by Kitty Mugginger and Ruth Adam. New York, Alfred A. Knopf, 278 pages, \$8.95.

Reviewed by Harrison Youngren, a member of the Management Department faculty of Southern Illinois.

(Review published in the *Daily Egyptian*, SIU Department of Journalism, Carbondale.)

This urbane biography of Beatrice Webb, distaff member of the famed Fabian team, achieves the improbable marriage of objectivity and sympathetic treatment of the subject.

It blows away much of the obscuring origins of Fabian socialism, and the welfare state.

It explores the forces that molded Aunt Bo (as Beatrice was known to her nephews and nieces) and, perhaps, more important for most of us, the forces molded by her.

For those who sneer at socialism, it may be useful to recall that our cradle-to-the-grave Social Security, medicare, and other welfare services had their conception, gestation and delivery in the Fabian Fabians, and Webb were both parents and midwife to this pragmatic Walden II.

Just how Beatrice, daughter of rail tycoon Richard Potter and favorite of the transatlantic Pullman car set (the jet set of the Victorian era), came to defect from her caste to marry a grubby little socialist, Sidney Webb, provides the frame for the early part of the narrative.

Peeks into Aunt Bo's diaries provide us with insights into the private lives of such Victorian luminaries as Herbert Spencer, George Bernard Shaw and one-time author Joseph Chamberlain.

We are present at the birth of the London School for Economics and the founding of the Fabian Society, the Fabian doctrine, The New Statesman (now New Statesman and Nation).

We see George Bernard Shaw propagandizing the socialist ideal in Major Barbara and lampooning some of these ideas in lines fed to the father of Eliza Doolittle in *Pigmalion* ("My Lady").

His last readable and entertaining account of one of the major developments of modern times is supported by these ideas in a bibliography, and with an excellent collection of photographs.

Here is proof that scholarly accuracy and dullness are not necessarily synonymous.

Niece Kitty Mugginger leans most heavily on her Aunt Bo's diaries for the interpretive comment which forms the skeleton of the narrative.

Hence, the book is an especially valuable source documenting the slide of the United Kingdom from turn-of-the-century imperialism to socialism and control to a semi-socialist paternalism.

Diligent research and careful organization of material, presented in a literate style, bring to life the Fabian dream into focus.

The book follows the thread of Fabian deviousness as they slowly insinuated their ideas into the power system, and waters and fertilized them carefully, until these new concepts took root in the working electorate and were reflected at the polls.

When the Tories finally gave to this demand for power, with the vain hope that responsibility for positive action would destroy the socialist fantasy, one can fairly hear the snort of the Fabians.

Glacier-like, great blocks of Tory power are disgorged into the social sea as fast as the icebergs and then the Laborites, exert their inexorable force on the body politic.

\$50,000 Grant For Crime Study Center at SIU-SW

The Center for the Study of Crime, Delinquency and Corrections at Southern Illinois University-Southwestern campus has been awarded a \$50,000 grant to develop educational programs for institutionalized children, according to Robert S. Gilland, director of the Center.

The Center, which has pioneered programs in many areas of juvenile corrections, has been granted the award by the Office of Education. The new project is funded through next February.

The project, called "Nationwide Educational Programs for Institutionalized Children (NEPIC)," will have as its goal the "upgrading of education in juvenile correctional institutions." James A. Jacobson, staff member in charge of the program, said.

According to Jacobson, "most institutionalized children are behind in their education or have been dropouts, and do not readily adapt to traditional educational approaches in these institutions." The long-range goal of NEPIC, he said, is to develop a special educational program which will get away from traditional custodial methods, and toward more rehabilitative directions.

The first four months and \$25,000 will go toward the actual planning phase of the project. During this time, the staff from SIU-SW will conduct seminars with officials of correctional institutions, school administrators, and business groups. After the initial planning stage, a pilot program will be implemented and run February of next year.

At that time, after expected positive results, three regional centers to provide resources and technical assistance will be established. The centers will be SIU-SW, the Western Interstate Commission for Higher Education at Boulder, Colo., and an unnamed location tentatively scheduled for the east coast.

This will provide a coordinated network, facilitating a smooth exchange of information, Jacobson stated. The program is another first of its kind for the SIU Center.

Robert HOFFEK Awarded Master's Degree at EIU

Robert Hoffek, son of Mr. and Mrs. Rudolph Hoffek, 2500 Lynch Avenue, received a master of science degree in Education during commencement exercises Thursday at Eastern Illinois University, Charleston. He has accepted the position of history and social sciences teacher and assistant coach in football and baseball at LaSalle senior high school, near Chicago.

Witnessing the outdoor ceremonies were his wife, the former Karen King of Chestnut, Ill., their two-year-old daughter, Angela Lynn, and uncle and aunt, Mr. and Mrs. Steve Salch and children, David and Deborah, of Granite City and Hoffek's parents. The group was entertained for dinner by the graduate at the Airport Inn, Charleston, following the commencement program.

Hoffek earned his bachelor of science degree at Eastern Illinois University in 1962. He has returned to the school each summer to continue his education while teaching in the Gerard, Ill., school system the remainder of the year.

His wife, a 1967 graduate of Eastern, also has been teaching in Gerard. The coming years she will instruct mathematics and physical education in the Ladd, Ill., elementary schools. The couple will reside in Ladd, a suburban area near LaSalle.

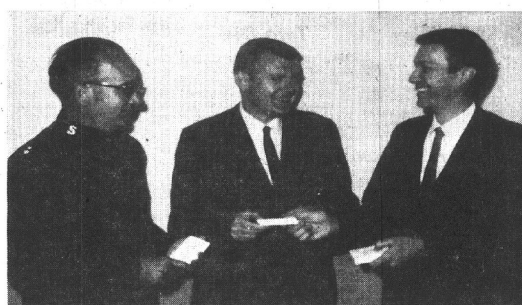

Another Hoffek son, Lawrence, stationed with the Army in Germany the past two years, is expected home later this month. He will receive his discharge from the service and is planning to resume his education at EIU, Mrs. Hoffek said.

"Disregarding personal safety," he assisted two wounded comrades to safety and was fatally wounded while doing so. Sp/4 Tessoro's outstanding display of aggressiveness, devotion to duty and personal bravery is in keeping with the finest traditions of the military service and reflects great credit upon himself, the First Infantry Division and the United States Army.

Sp/4 Tessoro was born in Granite City and attended local grade schools before moving with his family to Edwardsville.

David Wachter Promoted To Air Force Sergeant

David M. Wachter, son of Mr. and Mrs. Reinder J. Wachter, 2344 Edison Avenue, recently was promoted to the rank of sergeant in the U. S. Air Force. Currently stationed at Clark Air Base in the Philippines, Sgt. Wachter is a communications specialist in a unit of the Air Force Communications Service. He is a graduate of Granite City high school and attended Southern Illinois University and Syracuse University, N.Y.

Harold Thomas (left) of the Salvation Army and Bill Irelan of the Boy Scouts. The tickets for the Sept. 27-28 event are selling for 50 cents.

Waggoner Firm Named In \$100,000 Law Suit

A suit for \$100,000 has been filed for Willard Polo against the Wilbur Waggoner Equipment Rental & Excavating Co. in Madison county circuit court in Edwardsville. According to the complaint, Polo was employed as an ironworker by the Nooter Corp. and was unloading iron materials for repair of an ore bridge at Granite City Steel Co. on Sept. 20, 1968, when he fell from a truck furnished by the Waggoner firm and sustained serious and permanent injuries. "Negligence" was charged in grounds that the truck did not have a tail gate or other protective apparatus at the back end.

Governor Urges Parochial School Funds for State

Gov. Richard B. Ogilvie said Friday that Illinois should guarantee the preservation of private and parochial schools by giving them state tax aid. He made the comment while signing a law creating a 14-member commission to study the issue; it has a \$50,000 budget for two years.

He had proposed a \$32 program for such aid, passed by the House only. Fees cited the constitutional right to "separation of church and state."

The governor said, "The state cannot escape its responsibility for the education of a half-million children who attend non-public schools."

Noting that parochial school closings due to lack of funds increase public school costs, he added, "From a simple economic standpoint, it makes sense for the state to act."

On the same day, Ogilvie vetoed re-establishment of a commission on local government, saying there already are many such study groups.

Vetoes Six New Studies

He vetoed new commissions on juvenile recreation, public health, police relations, guardianship of minors, alcohol laws and high-speed ground mass transportation, saying their goals could be better achieved through legislative committees and the executive department.

Gov. Ogilvie termed "premature" a Chicago school board request for a special General Assembly session to avert a teachers' strike. The board had cut back on salary and other commitments it made to end a strike at the start of the fall term is slated. The governor said it is unlikely the needed two-thirds of legislators would vote to provide more funds.

"He said he may issue a progress report this week on his efforts to develop a major airway in the Madison-St. Clair counties area."

Contract Talks Are Continuing

"Negotiations in an effort to reach new contract agreements for four Illinois area ironworkers unions and cement finishers continued today in a meeting between the Ironworkers Union Builders Association and officials of Ironworkers Local 302."

A spokesman for SIBA said "some progress" was made in meetings Friday and Saturday with officials of both the ironworkers and cement finishers.

No further meetings have yet been scheduled with the cement finishers.

A negotiation session is tentatively scheduled Saturday with representatives of the Carpenters District Council of Madison County and Ironworkers Local 302.

U.S. mediators are sitting in on all contract talks.

"Ironworkers and cement finishers are striking in the SIBA and with the Illinois Contractors Association, but contractors associated with the SIBA and with the Illinois Contractors Association are not picketing by either of the two striking workers and masons has tied up an estimated half billion dollars in construction in the Carpenters District Council of Madison County and Ironworkers Local 302."

Meanwhile, an 85-day old ironworkers strike in St. Louis ended today following a 6-to-1 margin union vote yesterday to accept a new proposal by the Associated General Contractors.

Fraud Charged Over State Fair Contracts

"An investigation of fraudulent practices in connection with handling of contracts for concessions at Illinois state fairs through 1968 is being conducted by state police and federal agents, it was disclosed during the weekend."

Alleged bribes of \$5000 to officials on the fairground were reportedly paid in 1968. A Cook county circuit judge has been named as a behind-the-scenes holder of concession contracts.

Falls Asleep, Hits Car

An auto driven by John Hamm, 2833 Adams, struck the left rear of the auto of Homer Brown, 2148 Benton, Sunday, while it was parked in front of the Brown home at 4:40 p.m. Sunday. Hamm, who said he fell asleep, was charged with careless driving.

Driving Charge

Booked on a charge of careless driving at 2:05 a.m. today was Steven R. Winn, 20544 Iowa street, at 20th street and Madison avenue.

Public Review

teacher group. The board did not agree to the proposal.

Verbal Agreement

The board was charged with going back on a verbal agreement reached with the Federation and Hampton claimed the board "wants to deal with a company union."

McManaway said that previously the union was the only agent for the teachers, but last spring the Classroom Teachers Association requested by letter to have a role in any negotiations.

Not all of the parents were sympathetic to the union at the public meeting, though they agreed with Long's request that parents organize and apply pressure upon the board to meet with the union.

Long opened the outdoor meeting by reviewing developments before and after previous negotiations came to a halt in June.

Terry Provost of Collinsville, field services director for the Illinois Teachers' Association, said the board is trying to start school without a contract.

He said that teachers are making no extravagant demands, and that school will open if the board will negotiate. "If they don't want to break the union, all they have to do is meet with them."

Provost continued, "The issue is that they want the teachers to work without a contract," he added. "The money is lucrative."

Mrs. Margaret Blackshear, a member of the union committee, said that without a union contract, there is no guarantee that teachers would be protected in their jobs.

"We make you teach things you are not equipped to teach," she explained.

Protest Certificates

She said it is necessary for the teachers to submit resignations, as the law requires that resignations be filed at least three days before the start of the new school year. "We were bound to submit resignations to protect our certificates."

The trend of the meeting shifted to matters of discipline as several parents complained of fights and other difficulties last year at Madison high school.

Blackshear said, "We feel we are not backed by the administration. We want discipline in the classroom unless you have the backing of the principal."

One father insisted that "violence in school has got to stop." Another parent said, "You are not going to palm our kids."

Most of the parents at the meeting early Thursday evening were interested in having their children in school on time, agreed with Long's request that they go to the school board.

Amphitheatre

uated at the base of a gradually sloping grassy hillside.

Dr. Morris said he had no comment on the River Festival for the time being. He has drawn weeks on the erroneous assumption that tax funds had been approved for the project.

The decision not to proceed with the amphitheatre at present was announced as a result of the tent and the adjacent hillside's natural amphitheatre are to be used for some time to come.

Sees Use of Two Sites

The permanent site for the River Festival had been planned for another natural amphitheatre, located near Bluff, Dr. Morris said Friday. "As the institution grows, two performing sites will be needed."

The July budget action had stipulated that changes might be made at Friday's board session. However, the budget was left essentially as had been drawn up, except for the amphitheatre deletion.

High on the list of SIU-SW priorities are requests for \$7,058,700 for a fine arts classroom building group. Phase I: \$250,000 for site development; \$142,000 for utilities extensions; \$100,000 for renovations, additions and campus improvements; and \$770,000 for residential utilities and alterations.

These costs have been approved by the Board of Higher Education but have not yet been appropriated by the General Assembly.

Leopard Avenue Crash

As Alma Pence, 2144 Myrtle Avenue, was attempting to park near Leonard Avenue at Benton Avenue at 7:40 p.m. Saturday, the left rear of her car was hit by the right front of a 1968 Ford Mustang.

The driver of the Mustang, 4000 Melrose Avenue, was not injured.

Boat Breaks Window

Nick Proudas, 2822 Madison Avenue, reported at 6:20 p.m. Saturday that a boat was used to break the rear window of his pickup truck while it was parked at 3025 S. 10th street.

The bottle was found in the rear of the truck.

Tax Payments to Hit \$8.5 Million

Col. collections at the city hall office of City Treasurer E. R. Paul, Jr. ended Friday and Rich said he expects total payments to reach \$8.5 million by the end of the month.

Rich said a total of more than \$8 million in property taxes had been reached in tabulations this morning and the task of opening and tabulating payments will continue for at least another day. A final collection figure will not be available until the final payments are figured.

The biggest rush of the local tax collection period developed Friday, final day of payments locally. Larger industries and business usually hold up payments until the last collection day, Rich said. Mid-week collections were slow.

Rich said tabulations today indicate the total should reach at least \$8.5 million or about 91% of the total listed for collection. Taxes billed totaled \$9,170,000, an alltime record.

Burglars Enter Type Bank

type bank were taken in a burglary between 11:30 p.m. Thursday and 9 p.m. Friday at 2029 Margaret Arney home, 2029 Bryan Avenue. The front door was forced open.

Burglars broke into the locked garage at the home of Gary Barnstable, 2835 West 22nd street, in the past week.

Rising Sons to Disband After Teen Town Dance

"The Rising Sons," one of the most popular bands in Granite City, will make a final appearance at the YMCA Teen Town on Thursday when a special dance will feature the group before it disbands.

The group became one of the local favorites after being formed in 1968 by Rich Hodshire. He signed the first contract with the "Y" Teen Town in November of that year. Original members were Hodshire at the organ; Danny Henson, rhythm guitar and singer; Gene Hudson, lead guitar; Chris Hamilton, drummer and singer; Gerry Holliland, organ; Ron Holliland, base guitar; and Jim Simpson, lead singer.

The group has lost some of its originals but has added musicians from other groups. Original members remaining are Gary Holliland, Hudson, Hamilton and Simpson. A new addition is Rick "Wally" Weeks, former base player with the "Mosburg Shotgun."

The special dance will be held from 8:30 to 11:30 p.m. Admission will be 75 cents for members and \$1.25 for non-members. All area teenagers are invited to attend.

Hospital, Radiologist Named in \$50,000 Suit

A suit for \$50,000 has been filed in Madison county circuit court for Virginia Dye against Dr. G. W. Miller and St. Elizabeth Hospital in Madison county circuit court in Edwardsville.

The complaint alleges that on Feb. 25, the plaintiff was taken to the emergency room at the hospital with a knee injury and that x-rays were taken. According to the complaint, it was reported there was no evidence of a fracture or dislocation, and the patient was released. She claims, however, that the knee was fractured and healed in a displaced position, causing the leg to be crooked and bent. Negligence was charged.

Cornetts are Parents Of Daughter

Record GC Tax Levy Due for Action Tonight

Consideration of a new 1968-70 tax levy that is expected to exceed \$3.6 millions and action on three ordinances that would raise the corporate tax rate by 15 cents will get top billing on the Granite City council's regular meeting agenda tonight.

A tentative tax levy ordinance—based on an all-time record budget of \$3,745,143—calls for extension of \$3,422,860 to 15 cents, but this figure does not include a levy for payment of bonds and interest which is extended by the county clerk's office when the new city tax levy bill is filed there.

Last year's tax levy for storm sewer bond payments was \$200,371, requiring a 1968 tax rate of 12.12 cents per \$100 assessed valuation. Assuming that extension will be about the same for the 1969 tax year, the total tax levy figure that goes before the council for action tonight will approximate \$3,622,000.

This total is \$1,257,000 higher than last year's levy which, including the \$200,371 extension for bond payments, amounted to \$2,365,089.

Expect Long Debate
There were indications, however, that efforts will be made to cut some sections of the levy and considerable debate over some proposed levy extensions is anticipated. The city must file its tax levy by Sept. 9 with the county clerk's office.

Ordinances scheduled for discussion tonight include one

establishing a new police protection tax of five cents per \$100 assessed valuation under a new legislative measure recently signed into law by Gov. Richard Ogilvie. The bill provides a total seven and a half cent extension, but provides only five cents of it may be levied the first year.

Another proposed ordinance would raise the present 10-cent tax rate for fire protection to 15 cents, also permissible under a recently approved legislative bill that eliminates a referendum wherever a city already is levying a fire tax. Granite City has been levying the maximum of 10 cents for several years.

A third ordinance slated for action tonight provides for a tax levy of 10 cents for sewer maintenance, an increase of eight cents over last year's two-cent rate levied for this purpose. Approval of this tax increase, however, will require a two-thirds council approval.

Sewer Repairs High
The skyrocketing tax levy figure results partially from a \$250,500 extension to pay the cost of repairing a mounting series of sewer breaks in the Nameoki area sewer system.

Much more than half million dollars already has been spent for repairs and additional breaks are developing regularly.

The tentative tax levy draft also shows a fire protection tax of \$449,289, up \$106, 723 from last year's \$342,566 and a street department tax of \$241,000, up \$64,723 over last year's \$276,277.

General fund items in the tentative levy bill total \$244,946, an increase of \$170,538 from the 1968-69 levy of \$754,008. The city's general fund tax rate is pegged at a maximum of 43 cents per \$100 assessed valuation.

however and this rate was insufficient last year to provide the full amount of last year's smaller levy. The city corporate rate can be raised to 43-75 cents, but only by referendum.

The levy items also include \$106,822 for police protection as a special fund, an entirely new item in the Granite City levy which would be created by the ordinance extending the new five-cent police tax.

Rate Insufficient

This amount would not be provided by a five-cent tax on the basis of the city's current assessed valuation of \$173,785,438. Even if a full 100% collection were realized, the five-cent rate on this assessment would produce \$86,884.

The balance in tax funds required to operate the police department is included in the general fund items. It amounts to \$380,749. Thus, total tax extensions for police purposes amount to \$467,591.

The total 10-cent tax for sewer maintenance, if approved by ordinance, would produce total taxes of \$173,785 against the \$250,500 actually levied.

K. C.'s to Host Teams In Softball Meet Here

Tri-City Knights of Columbus Council 1098 will hold a reception for teams and guests following the championship game of the Madison county K. of C. softball tournament Sunday afternoon, it was reported at a council meeting Thursday night.

The tournament started yesterday on Diamonds at Sacred Heart and St. Margaret Mary's parishes. Plans also were announced for an orchestra dance to be held Sept. 27.

Robert McCormick, AFI-CIO Community Services representative, urged council participation in the United Fun Fair to be held Sept. 27-28 at Wilson Park.

A report on remodeling in the council club room was made by Edward Trittshuh, deputy grand knight who conducted the meeting in the absence of Grand Knight Michael Schuler. A lunch was served after the meeting.
